STATEMENT BY COACH RED PARKER OF CLEMSON

Coach Parker told his players before the press came in that "this is the greatest experience of my life to be around a ~~ga~~ group of ~~these~~ ~~these~~ kids like this. Our seniors have taken the position that they are willing to do anything to prepare this team for the future and I just want to thank them."

The Clemson team did not enter the field until it was time for the flip of the coin, having warmed up on the soccer field adjacent to the stadium. "We were very relaxed in the pre-game. We didn't want any emotion until we got to the top of the hill. It was a very casual warm up and if somebody thought ~~that~~ he'd had enough, he went over and sat down. You couldn't have done that down in the stadium.

We were well prepared. We've had to eat it for a year and I knew we were ready to play. After the first drive, we thought we were in pretty good shape to have them come to us to beat us. There were a lot of things we could have done and didn't do.

I hated we fumbled on that ~~the~~ last drive. I want Mike (O'Cain) to get one in.

We made only one change this week and that was to put Joe Bostic at center. He's only a sophomore and is going to be a great one.

Parker said the only new wrinkle in the offense was the pass off the ~~the~~ reverse, after the reverse had been run on the previous play.

He said he thought Steve Fuller "Played a gutty ball game" and had it not been for that ~~fumble~~ fumble, his performance would have been even greater.

COACH JIM CARLEN, SOUTH CAROLINA ---I would like to congratulate

Red Parker and Clemson University. They put it all together today.

Steve Fuller is a quality quarterback. We didn't do well on a goal line short yardage situations, but we've had problems with that all season long.

We changed our passing game some today to give ~~him~~ Ron (Bass) better protection and I think we kept the pass rush down.

My biggest disappointment was poor tackling by our defense. We just missed too many tackles. If Clemson ran the football well, but we missed a lot of tackles.

I felt Clemson should have gone for that last touchdown. That's what football is all about. This was a great day for their football program.

My hat's off to Ron Bass. He's shown a lot of courage this season. He had knee problems and I don't know whether a lesser athlete would have put up with ~~that~~ as much of the criticism that he has.

I really hate to lose these seniors on our club. We're going to miss them.

I don't think we should be considered for a bowl and our players realize this. I never got into the bowl situation and ~~there~~ there may have been some added pressure on our kids down the stretch.

We missed too many opportunities. We had our chances but couldn't take advantage of them. Clemson just got after it today and I congratulate them. I appreciate our fan support this season. I know they're disappointed and so are our coaches and players.
