COACHES STATEMENTS

Charley

Coach ~~Graydon~~ Pell-Clemson: I am very proud of our football team today, but we defeat-
ed by ~~an~~ an outstanding football team. I commend Coach Claiborne and I can understand ~~why~~
why they have won so many games and why they are rated so high. were

We played hard and I thought we had a chance to win until the clock ran out. The dif-
ference in the game was five or six plays and one of them was a ~~stupid~~ dumb call on
my part. I never should have called that field goal (which was blocked). We should
have punted. They were able to put ~~some~~ points on the board after that. We had
the momentum going before that and that block turned the game around.

We made some execution errors which can be corrected. But I'm not embarrassed by our
performance today and I'm not ashamed. I thought our kicking game was excellent. I
believe David Sims will be an excellent punter by the time the season is over.

Our offense couldn't get going in the first half today, and even in the second half
when we picked up some, Maryland adjusted very well and took some things away from
us. Not many people ~~are going~~ get a chance to play a champion in a lifetime. We
played one today and we'll have the opportunity to play another one next Saturday
(Georgia at Athens).

I think Steve Atkins is a better ball player right today ~~x~~ than Mike Voight (North
Carolina) ~~xxx~~ when he finished his college career. He is truly an All-American
player and if he hadn't been hurt some, he would be more ~~recognized~~ recognized
today than he is.

Coach Jerry Claiborne: "I am very Very proud of this team. We came back.
It was a poor call by me right before the half. Their halfback played it well. What we thought was going to be a touchdown was but by them."

Down 14-7 we showed some real class. The defense in the first half was super and the offense played well but could'nt get it into the end zone.

The blocked field goal was a real good play by Lloyd Burruss. The touchdown "Chuck White and Larry Dick read the coverage perfect."

We did not get a first down at the end but you have to give the Clemson Defense credit for that. Bruce Byron, a freshman, made perfect snaps all day. That was a great performance by a freshman playing here.

Mark Manges was limping and could not perform as well at full speed. Manges was doing a good job but he was not moving well and his foot was hurting him.

There was definitely a clip on the good kickoff return by Atkins.

Jim Hagan was running a comeback pass but the halfback leveled and Hagan ran a streak. He and Larry Dick both read it well.

Dr. Stan Lavine: "Kervin Wyatt has a torn cartilage and will probably require a operation."

NOTE: The team had Jim Hagan lead the fight song in the locker room following the game.
