COACHES QUOTES

BO REIN, N.C. State: "It was another great one for the fans. A great game to win, a tough one to lose. The game boiled down to one play. A kid took a chance and made a heckuva play. It was the ball game (the punt return). I can't say enough for our defense. We played offense after we ~~x~~ scored for the offense, figuring field position would be the key. But it backfired on us with the punt return.

"Clemson has an excellent defense. I'd ~~have~~ have to say the strength of their team is in their defense. (Were the interceptions devastating?) They sure didn't help us any. When you have to throw, those things happen. (On the personal foul) You really want to know? I'd rather not talk about the officiating. Well, it was for swearing. The official said: 'It's been a clean, hard-fought game, but your guy got up and swore.' But that didn't affect the outcome of the ball game. We got the ball back after that.

"Clemson has a fine team. We congratulate them and coach Pell."

CHARLEY PELL, Clemson: The closeness of the game is what we expected. I was very proud of our defense as it has continued to play and improve with each week. I'm going to have to give a little more credit to that defense because they did a super job today. They have to be our heroes.

It's unbelievable ~~how~~ how they throttled that long list of all-stars that the N. C. State team has. I believe that when we see the films that we stopped ourselves offensively more so. Certainly we don't want to take anything away from N. C. State. They played a fine football game and got after us real well. They took away some things we like to do. I wasn't satisfied with our game plan offensively. That's our fault.

The kicking game was superb except for that one kickoff.

We didn't do some of the things that we'd been doing so well in the previous six games, ~~but~~ and all of you all could see that because Steve (Fuller) didn't get to practice all week because of his injured hand. I didn't think it would hurt him as much as it did, but all of the ~~repetition~~ repetition he missed showed today. Even though he didn't get to practice Steve Fuller's performance deserves a lot of credit.

The pressure the defensive front put on the quarterback --- I just can't say enough for them.
