## COACHES QUOTES

1

Coach Devine of Notre Dame: The ~~official~~ referee was good, but the man on my side (head linesman) was a disgrace to football. Devine said he told the head linesman he was a disgrace to football and that is when the flag was thrown. He (Devine) said it was the first penalty he had had called on him in 25 years (all the time he has been a head coach in college as well as in the pros).

On the crowd, he ~~x~~ said the ~~d~~ crowd didn't bother us. It was a great crowd and they were very sportsmanlike. He said he had some things thrown on him as he entered the game, which "I didn't like."

We played better in the second half after we changed our defense.

About the bowls -- I'll go where my team ~~ex~~ wants to go. I have no preference.

About Clemson-- I think they have better personnel than Southern Cal<sub>e</sub> and this Clemson team should be undefeated.

t

Coach Pell of Clemson: I'm real proud of our football team today. Notre Dame has as fine a group of athletes as I've ever seen on a football team. They have the finest looking squad and the ~~largest~~ largest number of great athletes. They won the football game and that's to their credit.

The whole story boiled down to the fumbles in the third quarter and in field position. We couldn't sustain our drive and turned the ball over and that's the story of the game.

I think it is very obvious that our players were prepared to play the game. I think they are a fine credit to themselves, their families and the university.

The wind was more a factor in the first half than the second half, and we had it against us in the fourth quarter.

We had two excellent scoring opportunities and didn't put any points on the board and gave them excellent field position.

But our team fought and ~~we~~ gave as much effort as any team I've ever been associated with. I thought we were well prepared and the seniors kept things on an even keel all during the week. I think we answered the ~~we~~ question as to how good this Clemson team is. We kinda got away from our game plan and that was our fault on the sidelines.

I thought that Steve Fuller had an outstanding game against one of the best defensive teams in the nation. Our line was blocking well and we got about twice as many yards rushing as they have been averaging ~~and~~ giving up this ~~x~~ season.
