QUOTES FROM VILLANOVA HEAD COACH DICK BEDESEM:

X Was the noise as much an intimidating factor as you thought?

"No, it seemed quiet. I guess that felt it was an easy win, and they weren't as souped up. It was noisy until they got 14 points ahead. Then they felt it wasn't going to be a great contest.

What about that last field goal?

"I don't begrudge them kicking a field goal. They just wanted to give the boy a chance to kick under game conditions. I thought it was a smart move on their part. They were well-content to give boy some range. You'll notice that they didn't stop the clock to try to go for seven. I thought it showed some class.

Did you think you had a chance against Clemson?

"We did, but we had to score in the very beginning. We had to score on that first drive. When Dana (Shelton) broke that long one (first play), it ~~sk~~ looked as if we had some momentum. Once they got some momentum, it was difficult to stop them.

"Their program showed its total domination of ours. You got to admit, our kids are gummy. They deliver some great hits when they get there to hit.

"We ~~tried~~ tried to put the ball up a lot more than normal. But there were times when we (the receivers) couldn't get to the ball or we (the quarterbacks) couldn't get the ball off. At the time, we tried to get on the board. We were willing to open up. We wanted to win the football game. You'll notice that we went for two fourth downs. We were trying to get some momentum.

"Today, we were outclassed. The kids gave 100 per cent, busted their guts, but just came up short."

QUOTES FROM COACH CHARLEY PELL OF CLEMSON

We told our sas squad just a minute ago that we were just as proud of them in practice this week as the victory today.

The mark of a good football team in our opinion is the type that can go out and did last week and make a comeback and play with the intensity we had ~~first half~~ and you people who know football ~~have~~ have to give these
