## COACHES QUOTES

Coach Charley Pell, Clemson: That was a fine Clemson victory today. We're very pleased with the way the team responded in the preparation.

Duke's two quarterbacks -- the way they perform -- ~~gmxhx~~ gave us problems there late throwing the football. But overall, we were pleased with the victory and this puts us in a very challenging role for next week.

Duke is a strong football team. They are well coached and they have a good game plan.

I thought our offensive line played their best overall game. The defense played extremely well -- they played clutch football. <sup>in</sup> In the first quarter and a half, we looked more like Clemson than we've seen in quite awhile.

Lester Brown ran the ball well, although he had had a charley horse. Steve Fuller has a slight ankle sprain and Jerry Butler got stepped on in a pile up. None of the injuries is of a serious nature though.

We got Anthony King back ~~as~~ at his old tight end position some and I thought that Joe Bostic and Jeff Bostic performed well, although they've missed quite a bit of practice of late.

Coach Mike McGee: First off I would like to congratulate Clemson, they have a very fine football team and played well. They executed the option well with the run and the pitch.....In the second half they gave us a great deal of difficulty with their outside run.....Our offense moved in spurts most of the game...

Our crowd fought hard during the game and will continue the entire remainder of the year to fight .... Our team is very young and will continue throughout the year to improve.....

Mike Dunn reinjured his thumb early in the game and his thumb will have to be placed back in a protective ~~device~~ device.....
