COACHES' QUOTE

DICK CRUM: We played a very good football game. It's tough when you have to play that well and lose. We had very good concentration and very good effort. (In answer to a question about whether this was Carolina's best game) I think we played as well as we did at South Carolina.

Kupec ~~it~~ gave us a very good performance. We got great effort out of Paschal. He was just super. Our offensive line did an excellent job and our defensive front also played well. If we had played with that consistency all year, we would not have lost many games.

(In answer to a question) Oh, there was no doubt about the pass interference. That was an obvious call. However, we should have gotten the ball earlier in that drive on a fumble recovery. The ball definitely popped out of the runner's hands. The officials was out of position and couldn't see when he blew their ball dead."

CHARLEW PELL: I'd like to congratulate ⁱDick Crum and the University of North Carolina football team for ~~an~~ ^{an excellent} game plan. They played a ~~he~~ heck of a football game. As we expected, their talent came through and did a good job. They didn't run ~~that~~ ^{very} much offense, but they were physical about it and they took the ^bgattle to us.

Also, I'd like to commend our defense and special teams. They played a great football team. They stayed on the field so much in the second half. In fact, I don't think our offense ran but six plays in the third quarter. That put a heck of a strain on our defense, but they rose to the occasion when they had to. A lot of credit goes to people like Bubba Brown, Jonathan Brooks and Jim Stuckey. Bubba showed that he ^{is} a class-~~gas~~ linebacker in the Atlantic Coast Conference. ⁱThere were just a lot of heroes about today. This was probably our biggest physical test since Georgia ~~is~~ and I think the players passed it extremely well.

It wasn't very pretty and there were a heck of a lot of things out there that was ~~such~~ wasn't good football on our part. The important thing is that the players did what they had to do when they did it to get the ~~win~~ victory. And that's what we should be very proud of.
