~~████████~~ Furman University Head Coach Dick Sheridan

"Our people played very hard and we are disappointed with our performance...we just didn't play well...Clemson's defense shut our offense down today...our defense was inconsistent and we didn't play the out-route very well...overall in the second half our defense showed a lot of courage because they didn't get much rest...the big plays hurt us...our kids never quit though...we have a long, long way to go to be able to play with the better teams in our conference...

the ball handling error on the 20-yard line was critical...we felt not only could we have gotten the first down there, but we would have scored...we didn't establish the running game and that put pressure on the ~~████████~~ passing situation...the Clemson pass rush was ^{good} all day...

Coach Danny Ford of Clemson:

We're glad to be ~~playing~~ playing today and get that first one over with. Furman was a very fine football team. They played real well and Coach Sheridan and his staff should be complimented on the way they played and got after Clemson. They got after us real good, especially defensively.

Our young folks hung in there pretty good. We didn't look sharp like we should on offense. We looked like we didn't have enough quickness, but Furman probably had a lot to do with that. Defensively we played a pretty dog gone good, our defense ain't bad. They get after you pretty good, they hit some licks and made some of their runners pay the ~~high~~ price.

As long as you win, you gotta be ~~as~~ proud of all of them.

Most of the negative things that happened today came from the coaches and we gotta work that negative thing out with the coaches

Ford said that ^{Lester} ~~████████~~ Brown was running a fever at halftime and the team doctors recommended that he not play the ~~████████~~ second half.

We came out the second half not raring to play..we didn't play with a lot of emotion. which we've got to to be good, ~~but~~ but I think we'll improve on that.. They really didn't know what they could do and I think this game will help them a bunch.
