Georgia Head Football Coach Vince Dooley

"We had a good effort and we were ready to play. Clemson just whipped us in the line of scrimmage and that's what happened. Clemson did just about what I expected -- keeping it simple."

"I am happy in that we had a good week of practice. We came to play and showed improvement. Clemson's offensive line just took it to us. I ~~like~~ believe we have taken a step forward. I was ~~pxx~~ pleased with our goal line stand and also when we scored when it looked like it was all over.

"We are an overrated squad, however, if we keep working and improving, somewhere down the line we can become a good football team. There's no way I can be happy losing the game, but I am encouraged ^{by} ~~the positive~~ the positive aspects of the game. (goal line stand, drive)

"We are off to a rough start, we've had a lot gone wrong, but we just have to work harder."

Clemson Head Football Coach Danny Ford

For our people, you can start anywhere you want to. The defense played excellent, the offense played really good, kicking game was tremendous. We had a bunch of folks getting better and we had a good week of practice.

We got better this week and I think you saw a little different Clemson team than you saw last week. It's good to be back on the right side of the road instead the left side. We deserved to win the football game and I thought they did a super job.

We're still playing real good defense. I hate they got in there the last time, but we had some young people in there and I guess that was a coaching mistake and we'll take the blame for that. We're going to learn one day not to make all these mistakes.

Our offense we ~~xxxx~~ didn't know about, but I think they came off the football real well. The offensive line did a supper job of controlling the line of scrimmage. It was a big win for us.

The kicking game was absolutely great.

Marvin (Sims) had some good blocking up front. There was no particular reason why we ran him so much. We just ~~xxx~~ tried to take advantage of the defense they had set up.

We should have had 21 points the first first half. We put the ball on the ground twice and had one interception. But I think our offensive line grew up a lot today.

It was a pretty big win. It's gonna a heck of a lot easier to wake up tomorrow morning, g and to go home and see mama and to be on that TV show tomorrow. It'll make this ~~weekxxxxx~~ week's work a little bit better, and we'll smile a little bit more and we won't have to hang our head.
