COACHE'S QUOTES

UNIVERSITY OF VIRGINIA....DICK BESTWICK

"What we hoped wouldn't happen, did happen. Clemson was able to control the football and they were able to contain our outside game.

" We felt that we could come back in the ~~w~~ second half and I thought that we played reasonably well."

"Before the game, we knew we had to come ~~EXXEX~~ OUT throwing the football. There were a lot of near misses. Our protection was good...Todd just wasn't as sharp ~~EX~~ as he has been in our other games."

"Clemson played consistently well. They made no mistakes and played what I thoudhg was ~~XXXXX~~ their best game of the season. It was a near perfect performance."

"Field position kept us ~~k~~ from throwing early in the game. We were backed up against the wind."

COACH DANNY FORD OF CLEMSON

Coach Ford told his players in the dressing room immediately after the ~~f~~ game. "You won when you had to win."

I thought our defense played extremely well. Virginia had one big play that hurt us there. We had a missed tackle over there we should have had. Our offense played well in spurts. We've gotta a little more consistent on offense, but we won the football game and we're very proud of the offense and the defense.

Our kicking game was extremely good again, our punt coverage was good, but we can't continue to miss field goals inside the 35-yard line --that's got me concerned a little bit, and we've got to do something about penalties. We're having entirely too many penalties. You can't win consistently with penalties.

Virginia did a good job. They came to play. I thought they'd give up when we kept knocking them in the head, but they came back. Coach Bestwick's staff and players are doing a good job. They looked real well at times, but again our defense did the job when it had to.

I don't think we played with any great amount of intensity on offense. I told our folks this ~~was~~ was a big test for them for this was the first time this year they were playing somebody they were supposed to beat

next week

We've got another big test ~~XXXXXX~~ (against Virginia Tech) when we go on the road for the first time. We should pretty well know them what kind of football team we've got because we will then have been in every kind of situation we can be in.

We're still not playing as good as we can. We went to our second backfield pretty early because we have to develop some depth.
