BO HEIN, N.C. State: "The fans saw two great teams going at each other. You heard about both teams not being at full strength, but you sure couldn't tell it. We had a vivid picture all week of how the game would go. ~~xxxxxxxxxxx~~ We painted that the first half. To create turnovers, get good field position and score a touchdown, one that we were thankful for. But I couldn't see how things would go the second half. Well, you saw how it worked out. The defense played super.

"I could name a lot of standouts. Wilson, Nall, our quarterback kept his composure. In fact, he called the touchdown play. It was something that wasn't even in our game plan.

"Clemson has a great football team. Their defense is the best I've seen in the conference in the four years I've been here. Their quarterback re-gained his composure. I hope he doesn't take the blame for that last interception. We just weren't going to be beat today.

"Yes, Ritter is a real good one. He makes 'em when we need them. We got a big play from our corner (Eric Williams) at the goal line. We felt by bringing him we could cause a fumble or at least close down the running lane. They had four shots at it. They didn't get a penalty and they didn't go backwards. That was a great defense by our team."

On whether he thought Clemson would go for a field goal at the end "They didn't want to play for a tie, and I'm glad they didn't. We could not lose today if we wanted to have a shot at the conference championship."

GAME BALLS AWARDED to: DT Brian O'Doherty; QB Scott Smith; FS Woodrow Wilson and SS Mike Nall.

Coach Danny Ford told his players, before letting the press in, "You all did a heck of a job coming back like you did in the second half. You've got nothing to be ashamed of. It takes a lot of pride and class to do what you all did today. We're going to have our ups and downs all our life.

To the press: This was a very exciting football game. We had our chances to win, but didn't. We just did not take advantage of our opportunities. We had some breakdowns, but we held our poise. This is the second straight week we have put our defense on the spot early in the game.

But we had some positive things come out of the game we can build on. I thought our offense played okay for the most part. The defense had another good day. They don't give up that yardage very easy.

Penalties, fumbles and the kicking game hurt up. But it came down to four or five plays and ~~xxxx~~ and that's what it ~~xxxx~~ always comes down to in all big games.

On the goal, we went with what had been good to us, with the good, tough yardage. We just came up short, I don't know how short, it don't matter, it's just like a million ~~xx~~ dollars away.

The last time we had the ball, we weren't going for a tie. We wanted to win. State just made a super play on the interception.
