COACHES QUOTES

COACH DANNY FORD OF CLEMSON: We feel fortunate to win the ball game. We made way, way too a many mistakes, like jumping off sides, fielding punts inside the 10, missing snaps from center, not having but 10 people on the field. Those things aren't done purposely, they just hpapen on the field. But they are things we can work on and ~~max~~ hope to correct them by the next game.

We a came into the game knowing that Elkins was a good quarterback and he did a number of things today to prove it. We said it earlier in the week, and we didn' see anything today to change our mind that Wake Forest has~~x~~ the ~~many~~ best offensive line in the conference.

We feel a heck of a lot better this week than last week. It's a different feeling when you win. And that's what we came up here to do -- win the football game. It didn't looked like we improved very much during the week, but we had the best week of practice that we've hand in a long time. But this football team is hard to understand. Sometimes it looked we knew ~~wa~~ what we were doing and at others times, it didn't. ~~x~~ But that is to Wake Forest's credit.

But we made some very ~~big~~ big plays during the game and ~~Elkins~~ Flagler made most of them although Rodney Williams improved on his passing and we had some inter-ceptions that came at an opportune time. But at times, we looked ver inconsistent and that put the defense in a stress, expecially in the first half. I think we'll get a wet ball and work with it next week.

Clemson Note: Clemson's Terrance Flagler set an all-time Clemson single game all-purpose rushing record today with 274 yards (209 rushing and 64 in receiving). He also set a Clemson record for yards ~~ms~~ushing in a five-game series. He now has 744 yards rushing in the last five games (148.8 per game.) Flagler's 88-yard run in the first quarter tied for the third longest in Clemson history. The all-purpose rushing record he set was 260 by Cliff Austin against Duke in 1982.

Rodney Williams was 13-18-192 and two touchdowns, career highs in all four categories for the sophomore quarterback. Last week he completed just five passes, today he missed on only five passes. He was 8-9 in the second half, including his first eight of the half.

COACH AL GROH of WAKE FOREST: If Flowers is a candidate for the Heisman trophy, Then Flagler is a candidate for the Mister Universe.

There was no real turning point in the game. If our field ~~goals~~ had been touchdowns we would have tied. Any of the drives in the second half could have gone for a touchdown, but didn't.

It wasn't a very sharp day for our team. The ball slipped on Elkins a little bit, but I can't blame the quarterback. Clemson is the best defensive team we have faced all season.
