MARYLAND COACH JOE KRIVAK

"We just got our butts whipped. It was a good, ole-fashioned knock-down drag-out whipping. They were by far the best team on the field today and they just whipped us.

"We were able to take away the ~~h~~ fullback dive, but they ran the pitch extremely well. They ran about what they wanted to and did it effectively.

"They have a bunch of good strong kids and a quality football team. We had a lot of kids who played very well. This is a very intimidating environment and we were very concerned about coming in here. We've got some good kids in our program, but we still to find some more.

"We had bad field position the whole game. They really put us ~~n~~ in a hole and kept us there for the entire game.

On Clemson's score just before the half that put the ~~X~~~~T~~~~ix~~~~h~~~~x~~ Tigers ahead 24-7

"Our coaches upstairs said he wasn't in (before the fumble). That was a very critical play. That really had a lot of impact on the game. They (Clemson) made some mistakes and it didn't hurt them. We make them and it does.

"We're pretty battered and bruised up right now. It looked like Dunkirk Beach on our sidelines during the fourth quarter."

On Defensive Captain Bob Arnold who suffered a fractured left forearm in the first quarter. "If anybody can come back, Bob Arnold can. I don't have any doubts about that. But we ~~j~~ast don't know right now."

CLEMSON COACH DANNY FORD

We're might proud of our football ~~xx~~~~xx~~ team for accomplishing one of its goals this year in winning the conference championship. I thought the whole team played well and the defense played well, the kicking game was good and the offensive team controlled the line of scrimmage. The coaches ~~had~~ had them very well prepared.

Maryland had a lot of youngsters hurt in the football game and were beat up coming in. We were beat up coming in, but our guys came through and played well.

There were a lot of nice plays by our people. We had a nice drive going and should have gotten some points and didn't, but the kicking game came back and got us some. And the pass from Williams to ~~e~~Cooper got us ~~head~~ ahead ... Cooper caught two touchdown passes and we're real happy for him ...

There at the start of the third quarter, we weren't getting the job done as good as we ought to have, but our defense came back and ~~ix~~ and allowed our football team to get good field position and then we had the big run by Wesley ~~McFadden~~ McFadden which picked ~~us~~ up. We had great crowd support, and our guys ~~s~~just did a great job. I don't think you can say that we didn't play well ~~had~~ because I think we did. They showed a few more things that we've been needing to see. and we showed today that we have a very good football team against a big strong outfit from Maryland.
