COACHES QUOTES

South Carolina Head Coach Joe Morrison

"First of all, let me say it was a heckuva ball game, it seems like every South Carolina-Clemson game is. We were concerned early in the ball game after the roughing the punter penalty and they took the ball in. We managed to get a couple field goals up there, and then of course Ryan's catch over the middle was a big play. The big play of the game I thought was Brad's interception, which kind of made the margin a little bit more. I was very proud of our young men. We talked to them all week that they would have to play a 60-minute ball game. We felt that they gave their all for 60 minutes tonight, and it paid off. I would have to say that this is the best we've played overall, offensive and defensively. And I thought our special teams did a good job. I think you have to give all the credit in the world to our young men."

Clemson Head Coach Danny Ford

(On accepting the Citrus Bowl bid) -- "We appreciate and thank you for inviting us. We're disappointed right now, but we have nothing to be ashamed of. We're thankful that we have an opportunity to end the season on a different note. Our guys are not feeling very good right now, but we'll get better I promise you.

"We have to commend the University of South Carolina, they played very well against us. We thought our football team played very hard. I thought our guys played very well this season in that we're 9-2. We didn't accomplish everything we wanted to accomplish, but we have nothing to be ashamed of.

Our defense played well most of the time, but they were on the field way too long."

(Referring to the South Carolina offense) -- "We played pretty good against them. We gave up that one good play to Bethea. ... Thank goodness we have an opportunity to play another ball game in the Florida Citrus Bowl against Penn State. Again, all the credit in the world goes to South Carolina."

PLAYER QUOTES

South Carolina --

Nose guard Roy Hart -- "We just tried to come out tonight and do the best we could. They didn't do anything different to confuse us. We just came out in the second half and played solid football. It's a great honor to go to the Gator Bowl - it's one of the greatest feelings I've ever had in my life. It's just great to be part of a winning team and contribute."

Wingback Sterling Sharpe -- "We did n't come out intense enough in the first half. We came out in the second half and established our running game. Our defense came in and really got after them." (About the Gator Bowl)-- "The Gator Bowl means we came here in August, we worked hard and had a goal to go to a major bowl game. And we did it - that's the bottom line."

Quarterback Todd Ellis -- "We changed up on their defense in the second half. We opened up and did different things on first down - that's what helped us out in the second half. The main thing our defense did today, was give Clemson the dive a few times, but they didn't let them break the option play long. They played the best football I've seen in a long time. They put Clemson in positions they didn't want to be." (On the Gator Bowl)--"It's a terrific honor to be selected to the Gator Bowl. The Gator Bowl was counting on us, and we went out and got them the eighth win. I don't think the Gator Bowl could be any happier with us, I'm sure."

Free Safety Brad Edwards -- (On the interception return for touchdown) --"After I caught the ball there was really no one out there and I had the sideline to myself. The only thing I was thinking about was that I wished I could run a little bit faster. The two biggest games against top-ranked teams we lost this year. We couldn't come away with the big game, but tonight we did." (On the Gator Bowl)--"It feels great. We get a chance to increase our rankings, and we think they're going to bring in another top-ranked opponent."
