POST-GAME QUOTES--Clemson 30, Georgia Tech 13

BOBBY ROSS, GEORGIA TECH

"Clemson is a very good football team. They're one of the better teams in the country. They've got a lot of backs. I think they played four or five tailbacks. They just keep coming at you. There are some things that we have to get corrected in the ballgame. We fumbled the ball when we were moving the ball and had a first down deep in their territory at the 20-yardline early in the second half. We had a lot of momentum going when we fumbled the ball. We get the ball back and we're moving the ball reasonably well, the ball bounces off our chest and they pick it off for a touchdown. The next thing was that we mishandled a punt midway through the fourth quarter. Those three plays are big plays in the football game.

"We realize that Clemson is a really good football team and we don't want to take anything away from them. They're a better team than we are. There's no question about that. I think you can see that. I think we're closing the gap a little bit as a football team and as a program. But they're better. We still hurt ourselves in the football game and we can't be a team like that."

DANNY FORD, CLEMSON

Of Course, we're very delighted to win. As in most games, there were some very big plays. It was a tough game and we were expecting it to be.

Georgia Tech is a greatly improved ball club from the first part of the year and they are on the right foot and are to be reckoned with. I'm just glad we got them in the part of the season we did, because they will continue to get better.

Brewster's interception turned the game around for us, there's no doubt about that. At that time, the game was still in the balance. But this was a very important win for us and on a very hot day for both teams.

I didn't like some of the plays we had out there, but guess it's like having a birthday and not getting everything you wanted, but you were still happy with what you got. It looks like we're getting pretty good about letting other people look good. Ferguson had a good week last Saturday, and I don't know what Rampley had today, but I imagine his figures will be pretty impressive. We're going to bring the best out of everybody and we've done that in the past.

But it's good to get away from home and win one and get started out 1-0 in the conference.
