COACH FRANK BEAMER QUOTES

"First of all, let me give Clemson a lot of credit. That is a great football team, one that will be very high in the national polls at the end of the season. It is a team that does not beat itself. Clemson did fumble one time near the end, but had no turnovers ~~when~~ when it mattered.

On the other hand, we kept turning it over. You can't do that against a great team like Clemson and expect to win. We could have been right in the ball game all night if we had't made so many mistakes.

"I will, however, admit that the Clemson defense probably had a lot to do with the turnovers. Clemson is big and ~~next~~ strong and has so much speed. They have great athletes and they are well-coached. That's quite a combination.

"We moved the ball well at times and then we would stop ourselves. One call in particular that was damaging was the call away from the ball after the whistle had blown. Our fellow says he could't hear the whistle and if he still throwing a block, then it could be that was a cheap call.

"We've got to improve and show more consistency. We did things well at times tonight, but we were not a consistent football team. Also, we are really banged up. Roger Brown, a valuable player in our secondary, went out after three ~~px~~ plays and never came back. We had some others hurt and we'll just have to wait and see what their condition is.

"Next week, it's Clemson here on Homecoming. We've got to regroup and try to get back on the ~~winn~~ winning track. I have confidence in this team and we're work hard this week to get ready."

COACH DANNY BORD OF CLEMSON: Coach Ford told his team in the dressing room that This was tough win on the road. You did what you had to do when the momentum was going against you by coming right back and scoring.

To the press: We're awfully happy to have won here. Virginia Tech gave us a real fine test. It was a great effort by their people. they were ready to play. They showed tremendous quickness...a really physical football team defensively. They tested us very well.

They made some big plays against us in the first half on offense and they stunted a lot on defense. They had a great desire to win and gave us all we wanted, and we got them when they had a lot of people down. I think Coach Beamer has done a fantastic job. Our people had to do something right and I'm pleased with them. First thing we're going to have to improve on is our kickoff coverage (NOTE: OF the last ~~three~~ kickoff returns against Clemson, three of them have ~~xxx~~ been by four

Virginia Tech). WE gave up enough yardage in our kickoff coverage to lose. But we turned it around real fast tonight with that interception return by Kirkland and we made it a little easier for ~~xxx~~ ourselves. their fans got behind them and it looked like it was going to be a rocky fourth quarter for us if we did not make something happen and our defense made something happen.

THIS is the first time this year we've played an eight-man front and they threw a lot of stunts at us.

Overall, we're just pleased to get out of here with a win. I would have taken a one-point win before the game. Whatever it was tonight, I'll take that. Virginia Tech was a very motivated football team and it took a good effort on the part of our team. He stretched us pretty good all the way to the limit. We didn't hold anything back.
