CLEMSON HEAD COACH DANNY FORD

"You have to give Duke a lot of credit for winning the football game this afternoon. It was a very ~~wakkk~~ well deserved victory for them. They had a very good gameplan against us today. They very much deserved to win the football game and we just were not very sharp. We had too many mistakes in the first half. We made some big plays, but allowed them to make too many big plays. Our kicking team played pretty good, except one return. When you don't do things well in a football game, the other team must have done a pretty good job. I think our guys tried to get ready to play, and we did not very well late in the game. resp

"This was a good win for Duke. This is a game that I ~~hope~~ that our team will learn from. Duke deserves all the credit and they did a great job today.

DUKE HEAD COACH STEVE SPURRIER

"This was what college football is all about. It was a game of emotion. We were probably the only ones that believed we could win. I said before the game that we needed to get a lot of breaks, but we didn't get a whole bunch of breaks. We had sort of a handshake last night among all of us that we would play hard for four quarters. The guys hung on."

"We gave game balls to our defensive coordinators Bob Sanders and Jim Collins and our offensive line coach Rich McGeorge. The defense really did a great job and the offensive line did well both run and pass blocking.

"This is one all of us will remember the rest of our lives."

"We came out with a little different defensive scheme. We wanted to rush seven and eight guys and apply some pressure. Our guys hung in there and made some good shoestring tackles. It was a tremendous effort by the defense, as well as the offense.

I think it is (the most satisfying win of Spurrier's career). What makes it so satisfying is that hardly anyone gave us a chance. They thought we couldn't stop anybody and we would just go out and throw it around a little.

"I think we found us another runner in Randy Cuthbert. Randy Jones also did well. He looked like he was running right through them. A back has to make the other team miss and that's what Cuthbert was doing."

(On the final scoring play) "On the play before I noticed that he (Brown) came right through and was open. I hoped like heck that they would stay in the same defense. I think they set up in a similar set. He got open and Billy did a great job of getting him the ball."

NOTE: This is Duke's first victory over a top 20 team since 1971 when Duke topped number nine Stanford, 9-3 at Stanford.

Clarkston Hines became the all-time ACC reception yardage leader in the game as he caught six passes for 96 yards. His career totals are now 151 catches for 2,453 yards and 26 touchdowns. He topped Wayne Baumgardner of Wake Forest's mark of 2431. Hines also added to his career touchdown record in the game with one TD grab.,
