COACH DANNY FORD OF CLEMSON: We feel a lot better this week than we did last week with this win. We didn;t have any pass rush last week and we didn't have any today until the fourth quarter. Maybe it is coming back. I certainly hope so because it puts a lot of pressure on the secondary to give a quarterback that long to throw with no pressure at all.

I thought the defense played pretty well, with a couple of exceptions. We can't give up long plays like we did today. We just wasn't consistent today. We fought ourselves too much. But we played a lot better than we did last week

Georgia Tech won their first one (ACC victory) today, so our celebration on this win won't be too long because we have them coming in here next week .

We're just glad to win today -- and maybe we're lucky to win today. We did some good things out there, but we also struggled some. This came down to a fourth quarter game and it's not good for that to happen. Right now, we're just another kid on the block. We've got a chance to be something else, but right now we're not.

I thought Morocco had maybe his best game and Joe Henderson, filling in for Terry, had a good game. Joe's capable of being a big play man. He's a dangerous outside threat. I told him earlier this week to be ready to play more, but I didn't want it to come under these circumstances.

George Welsh Quotes

"A loss is a loss. I am not that upset about the game. We got 20 points today, hey we got just seven points last year in Charlottesville. "

"We lost just one game here today. "

On the touchdown pass deep to Herman Moore:"It was an off tackle fake with the reverse fake to Finkelston. I knew that he (Herman Moore) got a clean release from the line of scrimmage and then I saw the ball in the air and there was no one left in the Clemson secondary."

"We just could'nt stem the tide. We never got there offense under control. "
