South Carolina Coach Sparky Woods: "Congratulations to Clemson. They have a great defense... We had some opportunities early on, but just didn't convert into touchdowns...We had the early turnover (fumble) and just missed on the halfback pass...We blocked the punt, but fell on it instead of scooping it up and running with it...Clemson beat us with their sweep today. We broke down several times on the sweep. I thought their ability to run the sweep and our inability to defend it was the big difference in the game...I am proud of the effort our players gave today...We've closed the gap some (from last year), but still have a ways to go...They are really strong on defense and at times overpowered us."

South Carolina injuries: DT Kurt Wilson (right knee sprain) probable  
TE Charles Steward (left ankle sprain)  
DE Troy Duke (left ankle sprain)

All are probable vs. West Virginia on 11/22/90

CLEMSON COACH KEN HATFIELD: It was pretty and ugly. But I think one thing the players will always remember, in addition to this being their 39th victory for the seniors, will be that drive, when the score was 17-15, when we got the ball on the kickoff and drove 90 yards for a touchdown. And we had to start that drive with a clipping penalty on the return.

I think that was our best drive of the year and one of the prettiest I have ever witnessed or been associated with. All of a sudden when we had to have it, it was there and we got a little better cushion.

That was a classic kick for Docki (Chris Gardocki). He got it off quick and it looked like it sailed 90 yards (actually 78). I don't think that I've ever been around a better one.

The biggest thing a rivalry shows is how tough and how hard everybody plays no matter what the record is. And even if you're having a bad year, it gives you a game for a one-game shot that's good for bragging rights and give your fans something to talk about for one whole year. With that type of game on your schedule, certainly you have to play your best.

I thought we played our best today in just about everything except the kicking game. The blocked kick and letting the kickoff drop--two big, big mistakes, but probably the turning point was after the blocked punt when they got the field goal,

They had some good things happen to them early and they took the lead on us, but we took the ball and scored--and then came right back and scored again.

When they lost to The Citadel, I think it killed their confidence at that time, and they've had a hard time adjusting to that, then going on and playing the next two games on the road is very difficult, then they come back home and have to play a tough Florida State team. So they didn't have a chance for many good things happen to them for about three weeks but with the win last week, I think they regained some of that confidence which showed today.
