## COACH KEN HATFIELD OF CLEMSON

The thing that I'm prouder more of this team right now is the spirit is there. Even with the negative things that happened in the game, they would bounce right back in just matter of seconds. They were ready to come back and do the things that we expect of them. We had enough chances to be down, but they kept fighting back. It's true we didn't get the ball in sometimes when we were down there. A couple of key penalties hurt us. Our kids did a lot better job today protecting the football.

We didn't do a very job containing Blundin, but he's a big, ole tall kid who has had very few interceptions, He made some key plays early in the ball game that hurt us, and our biggest disappointment was not being able to contain them on the third down conversions. I'm sure they missed converting some, but I don't remember them. (Virginia converted on 11 of 20 in game, 7 of 10 1st half)

They also gambled several times and made things happen. But we have got to figure out how to get it in there (the end zone) when we get down there.

Virginia is a good football team and they're playing at mid-season form. They've played three games in a row and only had one turnover and had created 13 and they won two games and had a chance to win the Georgia Tech game on the road.

Early in the game Tony Mauney goes out and he doesn't play any more. Darnell Stephens--a true freshman--plays corner the whole game and did a tremendous job. That's the real story in the game where we had lack of experience and lack of depth and he goes in and they don't make anything on him. And he almost broke a couple of punt returns. We just a little inexperienced away from having a very good football team. Our team just hasn't played a complete ball game yet. We've played three good people in a row.

I'm proud of Nellie (Nelson Welch) for making that critical field goal that gave us the tie. DeChane (Cameron) hit some key completions in that drive and I thought the offensive line gave him tremendous protection. They didn't get close to him, except when he rolled out and had to get rid of it.

Virginia's George Welsh: The kick might have been tipped but it was not kicked that well. I was disappointed that we had the ball inside the twenty yard line and were not able to come away with the win. The narrow goal post sure do make it a different game. If we don't fumble the ball we probably come away with the win.

I told our team that they shouldn't be down after this game. We have had a tough couple of weeks with kids having exams. But we go home for three games and have a chance to be a good ballclub.

I think that once Clemosn got the sweep going they were able to do what they wanted. It seemed like they were able to get 10 yards every play.

Our offense didn't help our defense. It seemed that they were on ti field the entire second half. We had trouble against the rush, but I think some of that was due to our defense just being tired.
