COACH SPARKY WOODS QUOTES:

"I'd like to start off by congratulating Clemson . They played a great game and have had a great season. I'm proud of our effort. I thought we were competitive throughout the game. We started with a lot of excitement. We ended with an interception that stopped us. When we roughed their punter, they had a good drive (as a result of the 15 yd penalty)

"The 3rd Quarter was poor on our (USC) part. WE missed a tackle. WE missed opportunities. We should have gotten a TD; and then we missed the FG."

"Clemson was the stronger and faster team. they have an outstanding defensive football team."

OVERALL PERFORMANCE:

"You can't snap the ball on the ground against them (Clemson) and make mistakes (like did). Blocking was hard. It was hard to move the football against them. I was disappointed in our season. We had opportunities to win. Hopefully recruiting will be strong."

BEFORE THE GAME:

"I didn't anticipate having a big rushing game. I did anticipate getting sacked. We did not believe we would come in and run over this team.. I wish we had it better. ~~I think~~xxxxxxx"

FINAL QUOTE: (On recruiting)

"Don't ever forget; but don't look back -- look forward."

Coach Ken Hatfield

It was about the way I thought it would be. A very hard fought game. One that the crowd was very vocal and very into it. I think they continued to battle back all the time as I knew they would. We got ahead 17 to 7 and they came back and cut it to 17 to 10. We scored again and yet they come right back again and scored. I think they kept going right after us. and did a good job of it..

Everytime they would do something we would come back and counter. It really cut out any momentum they would gain. I think that was really the key to the game.

I think they were ready to play I don't think that was a problem. They have some strength where we are weak in and that's on the deep pass and as it turned out they did hit two or three. We picked off one or two and we got some sacks. They are going to hit some passes if you throw it as well as they do.

The biggest thing in the game is we stopped the running game. They made a little yards running but they had no running attack. That's what we had to do first. and it turned out to be the difference in the game.

When we stopped them on fourth and one that time, that was the key play in the game.

Clemson Player Quotes:

#44 Levon Kirkland, OLB: "In the second half we started giving them a little more pressure than the first. They have some good offensive players, but our speed usually beat them. ~~QX~~ We have much quicker guys and it was difficult for them to block us. Nothing against South Carolina, but our speed was a definite factor ~~in~~ today."

"We knew we had to stop their running game today if we were going to win, and I feel ~~w~~ our whole defensive team did a great job against them."

#24 Terry Smith, WR: "Every week our team is getting better and better, and each week Cameron keeps doing something ~~in~~ better. We got the momentum early in the second half, We came out playing hard. We wanted to keep scoring and scoring, and when we did that it took the crowd right out of the game."

#93 Ed McDaniel LB: "We knew coming into the game that their offensive line wasn't that great. We used our speed to attack their line and it was definitely effective. We ~~know~~ knew they had some fast receivers but our overall defensive speed was too much for their offense."

#20 Larry Ryans, WR: "It felt good to score that many points against them, it was a great win for our team. We knew we couldn't have any let-downs and we made sure we played a complete game."

#10 BeChane Cameron, QB: "It was a gift today, everything was going right. We got some lucky break, but we played great football."

"This was by far my best personal performance, ~~even~~ even better than the Hall of Fame game."

SOUTH CAROLINA PLAYER QUOTES

BOBBY FULLER -- "Offensively, we basically did everything we practiced all week. We moved- the ball all day, we just didn't get the big plays we needed."
"We knew they were going to be strong coming into the game. We felt like we had a good chance if the defense could hold.

(on first drive interception) They -had man coverage, I lofted the ball a little too much and the strong side guy came over and got it. I probably should have put a little more on it."

MARTYE DYE -- (on first drive roughing the kicker) It was a big let down. We stopped right out, and that took a lot out of us defensivly."

JAY KILLEN -- They have a lot of great players, so they can play and keep a lot of people fresh. It wore us down to a degree, but I don't think it was a factor."
