## Coach's Quotes

Ball State Coach Paul Schudel

"We felt there were some things we could do offensively and we did them. The entire scheme was a credit to our offensive coaches. I thought the no-huddle worked especially well. Our quarterback and offensive line did a great job against their front line.

"We played an outstanding football team and our kids played very well. I am very proud of our team.

"Clemson's defense will shut down a lot of people. We were able to score on them early and our defense did a great job in the third quarter. They might have had an overall depth factor in this game, that is reflected in the fourth quarter score, but our kids played an excellent game. This will definitely give us confidence for our conference race."

## STATEMENT OF COACH KEN HATFIELD OF CLEMSON

I knew it was going to be that type of game. Ball State didn't give us anything. I thought the biggest play was when we fumbled on the seven and they only got a field goal out of it.

They came out in the second half with the momentum after scoring right before halftime. We had to do something to get a lift for our team, and when they didn't get but three out of it.

I told the team in the dressing room after the game that character isn't made in a crisis, character is displayed in a crisis, and I think our guys did just that.

Tim Jones made a big, big play on the interception and the team showed me something when they drove 90 yards, although it resulted in only a field goal, that was still worth a great deal.

We had probably 20 guys played in their first game. We missed a tackle or two here and there, but I'm glad we played somebody as strong as Ball State in the opening game.

Rodney Blunt made two of the most critical plays after Tim's interception on just sheer guts--once when he got to the four on a third down play, and then when he carried it to the one. Ronald Williams displayed some fine running. That's the first time he's carried the ball since N. C. State last year. I'm happy for Carlos Curry and Lamarick Simpson. Both are true freshmen. And my hat's off to our kicking game.
