Coaches Quotes--Georgia Tech vs. Clemson, Sept. 26, 1992

Georgia Tech head coach Bill Lewis

"I want to begin by saying that I have never been more proud of a group of people. It was not an easy week for this football team. They found a way to play with their heart. They proved it's not a game of X's and O's. It's mind and concentration."

"This team proved it's a game of heart. We knew that we were going to have to fight to win the game and I think our people did that. I'm awfully proud of them."

On Tech's turnaround this week

"We were so poor in so many areas a week ago that we came back and did a lot of searching for answers, starting with me. We showed them the mistakes they were making and went from there. We just had to take the things we were doing and go at it real hard."

On the effect of the win on the program

"I think they know now that they can do it. We were very tentative and unsure of ourselves the first two weeks. Maybe that had something to do with the transition, but I just know that all of a sudden, we came together."

"We've got this win as our foundation, and now we can use it to build on."

On Clemson's passing game

"They probably threw it more tonight than they have been. Their game is their game. They want to come out and pound on you."

Clemson coach Ken Hatfield

"This is a big disappointment for us ..of course it's always disappointing to lose I was proud of the way we fought back in the second half after playing so poorly in the first half. I thought we showed alot of character on the first drive in the third quarter when we took the ball and ate up about eight and a half minutes and scored which put us back in the game."

On a big play in the game

"Looking back on it now, I think one of the key plays in the game was that offside play against us when we were on the one yard line - we got down there and had to settle for a field goal."

On Tech

"To their credit they came back after we tied the score - they took the opportunity they had and made it count."

On Kickoff coverage

"They (Tech) did a lot better job on kickoff coverage - we gave them the ball on the 35 yard line and also let them run one back. We have to do better on that in future games."
