STATEMENT BY CLEMSON COACH KEN HATFIELD

The game went about the way we thought it would, although I believe we were a little tight right at the beginning.

But we got to play all of our seniors and that was good because of it being Parents' Day.

I think our being able to play the second unit as much as we were able to was so important. And (Rudy) Harris being able to play also was a big plus. When he gets back into the flow of the game, it will be certainly be something that will be of benefit to us.

We were able to hit some key passes early and that helped loosen things up a bit. I'm happy with Louie's (Louis Solomon) play, and also that we got to play three quarterbacks. Solomon as well as (Patrick) Sapp got to take a good number of snaps.

Virginia (next Saturday) will be a very key game for us. With their success (a win and a tie) against us the last two years, this has given them a lot of confidence. Virginia is undefeated and will be the favorite to win. We're just going to see if we can go up there and win.

This will be another crucial conference game

UNIVERSITY OF TENNESSEE AT CHATTANOOGA HEAD FOOTBALL COACH BUDDY NIX

"Let me say first of all that when a game against a team like Clemson is scheduled you need to be ready for whatever the results are. Clemson played very well and we aren't looking for any sympathy. There were a couple of times that we had a chance to make some good things happen for us and we didn't."

"The exhibition season is over. We now will play for our conference championship over the course of the next seven weeks and we'll see what happens. We will return to the state of South Carolina next week to take on a very good Citadel team. We need to get some people healthy for next week in order to be ready."
