NORTH CAROLINA PLAYER QUOTES

- BUCKY BROOKS: "When the doctors gave me an outside possibility, I knew I wanted to play. Jason made perfect throws and I caught them. It was real special because I'd never scored a touchdown against Clemson. The victory was a credit to the coaching staff for putting together a good game plan."
- COREY HOLLIDAY: All Week we wanted to practice getting physical and we came out strong. We knew we had to keep them off balance.
- JASON STANICEK: "The offensive line was cutting the ends, letting me out on the corner. In the film other teams were forcing me to pitch, but today I was able to keep the ball myself some on the option. We are a totally different team from last year. We have a different attitude. I credit this to our new strength coach (Jeff Madden), who has gotten us excited. It'll be tough for Virginia to win at Clemson."
- TROY BARNETT: (In reference to Carolina pressure on Clemson QBs): "At times I felt I was right at him but linebackers like Kerry Mock and Eddie Mason would come by and get him. It was like a flash of light. We never felt like we were in danger. The main thing was we didn't want them to score."

COACH KEN HATFIELD OF CLEMSON

North Carolina was able to run the football and that was the biggest difference in the game. They hit some big passes, but basically, it was the running game that kept everything going for them.

A couple of other things--we played a team last week (Maryland) that was completely contrary to anything we saw out there tonight and I think when you see someone to execute the option as good as North Carolina does and has been as good offensively as North Carolina has, some of the things we tried in practice that we thought would work against them obviously did not.

I thought North Carolina did a good job preparing for us, and they took good advantage of the extra week that they had. They had an excellent game plan. I was afraid that Stanicek would be just a little bit quicker on things such as the option, and he was earlier.

~~But~~ But I thought we stayed in there. But we saw the best option attack that combined an option, play action pass and a power attack and they executed it as well as anybody in the country. So hopefully we've learned something from it where we can improve next week against ~~the~~ Virginia.

Offensively, we tried to run the option a little bit, and we had a little drive going with Solomon in there, but he got hurt again and we're back to square one again.

But I think our biggest disappointment was our inability to get our running game going.
