Kentucky Player Quotes

Pookie Jones, Quarterback

"From the start of the game we came ready to play. We have to capitalize in the red zone. We really wanted the win. It wasn't meant to be. We had our chances."

Marty Moore, Linebacker

"(Regarding his interception at the end)

"I read the play. I probably should have fallen on the ground. I thought I was going to take it down the field and score."

We shut them down except for that last one big play."

(Re: last play of the game)

"Everybody came up to stop him and he wasn't across the line of scrimmage."

Zane Beehn, Defensive End

"Re: the fumble at the end)

"I didn't realize that he had fumbled until the officials signaled first down Clemson. When bad things happen you just have to get right back with it. Marty didn't lose the game for us. If it wasn't for him we wouldn't have been here."

(re: the screen play on Clemson's final drive)

"They set it up really well. It was great execution on their part. We didn't think they would throw a screen."

COACH TOMMY WEST OF CLEMSON: This was Clemson's team today. This game goes first to the players, then to the assistant coaches, and then to the Clemson football family.

I thought our team was ready to play, but with the circumstances, it was not very fair to them. We came in and had seven practices at Clemson and there were some jarring plays made. In fact, we had to slow them down for fear that somebody was going to get hurt.

Defensively, I thought we did very well, except when we were offside and gave them another chance at that field goal, and on a couple of other occasions.. But I wasn't surprised at the way they played.

I'm glad we don't have another game coming up next week. I'm looking forward to a good night's sleep, maybe not tonight, but tomorrow night anyway. It's been a joy to be around this team in this short of time and I am happy to be back. I left Clemson (for four years), but Clemson never left me.

I thought this was going to come down to a two-minute game, but when Emory broke that screen for the long gain, we then had ~~plenty~~ plenty of time to go the ~~xxxx~~ distance we had to go.

KENTUCKY COACH BILL CURRY QUOTES

"I think that was a great football game. We fought our hearts out. We can't play any harder than that."

"The obvious things that cost us the ballgame were execution and the fact that we didn't capitalize when we got the ball down close. You have to do those things to win."

"You have to deliver to win football games. We had that great punt that put us in position to bottle them up. And we knew they would probably throw the screen, and they did and we didn't tackle them."

"We showed that our football program is moving in the right direction. We showed that we could get to a bowl game and we showed that we can compete with a top 25 team. We went toe-to-toe with them, and these are the things we must focus on. This was a great step forward for our program."

(Re: how he felt when Marty Moore fumbled the interception)
"I can't even begin to express how I feel for Marty Moore. He has been the stalwart for our team in the classroom, in the weightroom and on the field year-round. We are going to focus on the tremendous contributions he has made to our program."

"We played great defense between the first and last drives of the game, but we have to play it all game to win bowls."
