COACHES' QUOTES

COACH TOMMY WEST OF CLEMSON: Anytime your team has a 'W' it's a great feeling. But somehow today, this one was a little special--for the coaching staff, the players and the fans.

I thought our team played hard today, they played with enthusiasm and they saw that the fans have gotten in behind them again.

We just kept pressure on the quarterbacks all afternoon, and you can see that it paid off. The three interceptions and the fumbles we recovered played a big part in the outcome of the game. And it's hard to keep pressure on them because they keep nickle and dime you to death. One thing we preached for the last two weeks is that when they catch a ball to hit 'em. We know they aren't going 0 for 44, but we wanted to guard against the long completion, or throwing a little flare pass and getting good yardage out of it. And just about every ball they caught, somebody was close by for not much of a gain.

Maryland has two quality quarterbacks and our defense held them in check about as good as we could expect. They have an offense that's hard to stop all of the time.

This is the greatest place in the world to play a college football game, and I can't tell our fans with any description just how important they are. When Maryland is there trying to go for it and they can't hear a check off, or something -- that's what Death Valley is all about.

Head Coach Mark Duffner of Maryland

We had a physical ball game today without a doubt. We had a hard time getting going offensively. When we did start driving, our turnovers took us back out of it.

Our defense played hard against a new Clemson offense. Anytime you keep a team to field goals is a plus.

We just didn't get going and establish a drive. We are not as smooth as we'd like to be. The two interceptions were critical for us.

Lewis absence--That was a factor.. Other players have to stand up and be counted.

PLAYER QUOTES --

ANTWUAN WYATT (19)

"Things flowed for us during this game. That's how we got after practicing these last two weeks.

The reads were there for me and Louis (Solomon). It was a good feeling that I had. I had confidence in my tailback ability, I was just trying to let it show. The offensive line blocked great today. That's why everything worked for me."

"Raymond (Priester) did a good job. He played like he was here for four years. I'm not that much older than him, so I really can't say too much, except that he did a good job.

This position is a lot less painful than wide receiver, but I have a lot of fun as a tailback. I didn't have any more pressure from the coach (West) today than I had at any other time. Coach West told me that I was a leader of the team and that had been the same in the past.

I'm not surprised that I had over 100 yards in the game. I set high expectations for myself. I wanted to get 250 yards. I set high expectations so that I have something to reach for. I felt comfortable in the position and I practiced at it for the last two weeks. It became second nature."

RAYMOND PRIESTER (27)

"I never knew I was going to get the ball today. The offense moved the ball after Maryland's turnover. They opened the hole and I ran through.

"I didn't think of being discouraged because I wasn't a starter. I just wanted to work harder. I'm happy for my teammates no matter where I am during the game.

I found out that I would be starting on Wednesday and I took it from there. The whole team needs to go out a work, work hard, and that's what I wanted to do, no matter what."
