COACHES' QUOTES

GEORGIA HEAD COACH RAY GOFF

"I'd like to commend our seniors for getting the football team ready to play after a tough week. I'd like to commend the character of our football team for their heart and the way they played in the first half. Traditionally we haven't played well early (early kickoff) so it was important for us to come out and set the tempo early and the defense gave us that opportunity with three turnovers and two interceptions. I think we are a better football team than people give us credit for.

"We didn't play very well in the third quarter offensively. Some guys didn't tackle as well as we would like.

"Terrell (Davis) was a little rusty today but he did a good job. It was good to get him back. This is the first time all year to pretty much have our football team healthy."

CLEMSON HEAD COACH TOMMY WEST

We win together and we lose together. We can be whatever we want to be. We aren't going to slow down. We can be a good football team when we put it all together

I thought Nealon Greene did some good things for us and he helped us (This was Greene's first action. He is a freshman). He impressed me seeing this action in the environment we had to use him..

But we turned the ball over three times in the first half and you can't do that against Georgia or a team of its caliber...and still be successful.

We weren't planning blitzing as much as we did, but when he (Zeier) started taking a little more time (to pass) we decided to rush him a little more with the blitz and I think we got him out of his rhythm there for awhile. But he usually throws on time.

At one time, and on several other occasions, we had a freshman quarterback, a freshman halfback, a freshman fullback and two freshman wide receivers. In the first half, I think we had the ball something like 17½ minutes, but those three turnovers negated anything we tried and wanted to do. And then we gave them two big plays defensively in the first half. We can't do that and be successful.

But I have confidence in our ball club. Our football team is very disappointed. But there is no quit in us. There are some positive things that happened today though. We're going to get better and better and work like crazy. We just can't turn the ball over like we did and give this team or any team more chances on offense.

PLAYER QUOTES

CLEMSON QUARTERBACK LOUIS SOLOMON

"We were running the ball pretty good on them. What killed us was the turnovers. We have to execute; we didn't and that was our problem. I was not moving the ball so it wasn't surprising that they took me out."

CLEMSON LINEBACKER TIM JONES

"Zeier played well. He's a great athlete. You don't try to figure him out. All 11 people have to do their job. We just didn't play well today."

GEORGIA LINEBACKER RANDALL GODFREY

"We came out knowing what we had to do. Last year we might have had a letdown. This year that is not going to happen. Like Coach Goff said, this team has a lot of character. We got some breaks but we played hard. We had some breakdowns but I give Clemson a lot of credit. They gave us a good look at the option,. We did alright. Hopefully we can continue to improve and show some people around the SEC. We are playing pretty well right now."

GEORGIA QUARTERBACK ERIC ZEIER

(About the Alabama loss): "A loss like that can have an effect. But the good thing about football is you can come back with a win and cure most of the ills.
(About their defense): "They've got a good defense. They did some things we had to adjust to. It wasn't easy. We had to work to get what we did today.
(About record-breaking TD to Brice Hunter): "It doesn't surprise me. We've got guys who do so many things. The important thing is that we go out and do what we have to do to get better."
