NORTH CAROLINA HEAD COACH MACK BROWN

Credit Clemson's football team, they did all the things that you have to do to win and they didn't have a turnover. I was very proud that our team kept trying after we dug ourselves a hole but the team that can rush the ball usually wins and the team that turns the ball over least usually wins.

We didn't do much right in the first quarter. You can't let them get excited. With the parity in college football, you have to start the game right.

I felt like at the half we'd taken the momentum back. I felt like Mike had confidence and then we stopped them on their first drive of the second half. But that dropped punt took some of the momentum back.

They haven't given up yards to anybody (on the ground) this year. They're as good as anybody in the league up front.

Jason (Stanicek) sprained his ankle and he couldn't put any pressure on it. He couldn't come back.

I thought at 22-17 we'd win the game. But the thing we did to lose the game was that we were very inconsistent.

When we got behind we had to start throwing the ball and Clemson was crowding the line of scrimmage because they knew Mike (Thomas) hadn't played very much at quarterback. But Mike did a good job throwing the ball and trying to help us get back in the ballgame.

I thought we tried hard throughout the day but it was a very frustrating day. I'm very disappointed for our seniors and I'm very disappointed to lose.

Clemson Coach Tommy West

"I challenged this football team to play like Clemson. We have shown improvement every week, but it was time to win like a Clemson football team and I thought we did. There were a lot of big plays in the game for us, but I thought Carlos Curry's hit on Thomas and Marvin Cross's interception stood out

"I am most proud of the way we played in the fourth quarter. Driving for those two field goals in the fourth quarter, that was conditioning and just being a hard nozed football team. We didn't look pretty at times, but we did a tremendous job of getting on top. We lost the momentum, but we challenged them at halftime and took the momentum back in the third period.

"I am very proud of this coaching staff and the players. They have worked hard throughout this year. I has not been easy to hang in but they did. They have kept a good attitude throughout the season.

"The kicking game was huge today. Coming in to the game North Carolina was in the top five in the country in punt returns and kickoff returns. We had some players who did a great job on special teams today. And, of course Nelson Welch was perfect on five field goals and set the school scoring record.

"Our defense shut their run down and that was very important.

"I made some statements last week that this football team was better than last years. Record wise we won't but over the last three weeks we have been a very good football team.

"The end of the game was a thing of beauty.

To run the clock down and score a field goal that put the game just about out of reach, that made you feel great.

"North Carolina has run the ball very well all year. For us to play physical football with them is very gratifying.

#### Clemson Notes

\*Clemson kicker Nelson Welch broke the school career scoring record today. He had 16 points on five field goals and an extra point and now has 292 for his career. The record was 288 by Obed Ariri between 1988-80.

\*Welch was a perfect 5-5 on field goals and 1-1 on conversions. Some of the credit has to go to the holding of Matt Bullman, a punter, who had never held for Clemson until Thursday's practice. West had suspended regular holder Travis Harvey for violation of team rules on Thursday.

\*Lamont Pegues rushed for 72 yards in the game, a season high for the freshman from North Carolina. He also scored his first two touchdowns of the season.

\*Nealon Greene was 9-12 passing in the game and has now thrown 70 passes without an interception. His completion to Marcus Hinton of 42 yards in the first half was Clemson's longest completion of the season. Clemson scored a touchdown on that first drive the first time all year Clemson has scored a TD on its opening possession.

\*Darnell Stephens had two sacks and three total tackles for loss today. He now has five career sacks, but four over the last two games.

\*This was Clemson's first road win over a top 20 teams since 1992 when the Tigers defeated a 10th ranked Virginia team in Charlottesville. It was Clemson's first win over a ranked team anywhere since Nov. 13, 1993 when Clemson defeated a 18th ranked Virginia team at Clemson.

\*This was Clemson's sixth road win over a Top 20 team since the 1981 season. Half of them have taken place in Chapel Hill. Clemson defeated a eighth ranked UNC team 10-8 in 1981, a 16-3 win over a 10th ranked UNC team in 1983, and today. Clemson's other ranked wins on the road during this time were 31-28 at Georgia in 1986, 34-23 at Florida State in 1989 and the win at Virginia in 1992.
