FSU PLAYER QUOTES

DEE FEASTER

Tailback/Punt Returner

"The touchdown helped my self-esteem after I got knocked out in the first quarter. I found the crease and they did a great job blocking and I took it in.

I didn't even know I got knocked out until they told me. I didn't see the hit coming, the next thing I knew I was rolling over and getting up. I just wanted to get back in the game and help the team.

We have to continue to play excellent special teams to beat teams like Miami and Florida. Our special teams are a key for us to be successful."

THAD BUSBY

Quarterback

"It was a good game for us to see what we could do. I knew going into this game, that we were going to open the offense up a little bit. This offense will continue to get better with time. I hope I can get a career-high at the halftime of every game.

We still made some mistakes on offense. We had some stupid penalties and some missed assignments. The key for us in the Miami game is to eliminate those mistakes."

E.G. GREEN

Receiver

"We didn't do anything different tonight, it just took time for us to adjust. It was nice to see the big plays return to the offense. Everybody in the offense got involved tonight and I think that was the difference. We had a good mix of the run and the pass. It felt good to get in the endzone."

PETER BOULWARE

Defensive End

"The defense played all right tonight, but it was not a Florida State defensive effort. We have to play better next week to beat Miami. We were disappointed in giving up 210 yards and three points, because our goal is to get a shutout in every game. We just have to iron some little things out and cut down on the penalties. We can't get that many penalties against Miami to beat them."

DARYL BUSH

Linebacker

"We were faced with a different offense tonight that featured two backs and a quick quarterback. We played smart assignment football tonight and did a good job of limiting them to three points. They did a lot of quick screen passes and we know that we are going to have to make some adjustments because Miami likes to do that. Another key to our performance is that we didn't give up the long ball. We felt that if we stopped the run, we could shut down their offense."

**FLORIDA STATE VS. CLEMSON
QUOTES**

HEAD COACH BOBBY BOWDEN

"The defense had another good ball game, but it could have been even better without the penalties. The offense made strides. Our plan was to make our quarterback win the game. I thought Thad did a good job. I think he answered one of our two big questions, which remained the quarterback and the offensive line. He could have flunked the test tonight and we would have had a new quarterback. The way the season has gone, it looks like the pattern is set. The offense is not going to score quickly but the defense can hold them.

Clemson surprised me with playing Greene. I thought he played with great courage. Clemson had a good game plan to keep the ball away from us. The best thing is that we had to find out some things before Miami.
