COACHES QUOTES

COACH TOMMY WEST OF CLEMSON: I thought the ~~big~~ biggest play of the game was the motion penalty after (Antwan) Edwards returned that interception for 58 yards down to the t wo.

I was disappointed in the fact that we weren't able to stop the run tonight. Their offense did a very good job running with the ball...we just didn't do a very good job ~~getting~~ of getting the rush stopped.

The key to us in every game is turnovers and our ability to run the ball. There in the third quarter we began to hit some passes and get 'em off us and that opened things up some and we did a pretty good job after that. Then we hit Kenya (Crooks) a couple of times, and then had a couple more runs.

The thing you take from this, and this is what I told the team after wards, the one thing this team has done all year long --there's no quitting in this bunch. They won't give up regardless of what it is. We mounted a great effort -- but we had already dug ourselves a ~~whole~~ hole.

I thought the key in the first half is that we let (Anthony) Wright out of the pocket some which -- you know he's pretty good on the run -- and going in we knew we had to pretty well contain him. I thought we were playing outstanding in the secondary and had pretty well stopped their passing, and the only thing that had really hurt us was letting Wright out of the pocket.

The one good thing remaining is that we have one more game to play to redeem ourselves and this team is a lot better than at the first of the year. We've come a 100 miles.
