Clemson vs. Maryland  
Death Valley, October 10, 1998

- \*Clemson had 399 yards of total offense today, and it was a nearly balanced 201 rushing and 198 passing. Clemson Head Coach Tommy West used an attack similar to what the Tigers used in 1995, a three wideout set. The offense actually goes back to the 1990 Tennessee offense. West was the running backs coach at Tennessee that year, his first year as an offensive assistant. Tennessee had a 9-2-2 record that season and averaged 410 yards per game in offense, 205 rushing and 205 passing.
- \*Clemson players watched film of the Tigers 1995 Clemson-Maryland game in preparation for this game. The Tigers won that contest 17-0 and outgained Maryland 395-171. Clemson won today's game 23-0 and outgained Maryland 399-172.
- \*Maryland has not scored a touchdown against Clemson in Death Valley since 1991 and has now scored just one field goal in the last 19 quarters in this facility. Clemson has outscored Maryland 140-10 in Death Valley in the 1990s (5 games).
- \*Maryland's defense had just 130 yards rushing per game prior to today. Clemson gained 201 on the ground, twice what it had averaged entering the game. It was the most rushing yards against Maryland this year.
- \*Today was Maryland's worst margin of defeat (23 points). Their three losses heading into today were all against ranked teams.
- \*Travis Zachery had a career high 93 yards rushing and 118 yards of all-purpose running in today's game. His 26 yard run for a touchdown in the fourth period was the longest rush of the season for the Tigers.
- \*Javis Austin also had his top day of the season with 61 yards rushing nine carries and an addition 17 in receiving yards.
- \*Brandon Streeter had two touchdown passes in today's game, a career high for the junior. He completed 13 of 22 passes for 191 yards. The yardage total was the second highest total of his career and the completion total was the second highest of his career. He was not sacked all day.
- \*Antwan Edwards continued his string of fine performances. The senior Thorpe Award candidate had two more passes broken up, giving him nine for the season. The single season mark is 15. He also had six tackles and a 56-yard interception return. He now has 195 yards in interception returns in his career, second highest in Clemson history.
- \*Marcus Martin had a career high six receptions for a career high 97 yards. He also caught his first career touchdown pass.
- \*Clemson allowed just 92 yards rushing in 33 attempts. Clemson opponents have just 137 yards in 63 attempts over the last two weeks.
- \*Chris Jones had the first two-sack game of his career today. He was Clemson's top tackler with nine and had three tackles for loss.
- \*Adrian Dingle had two more sacks today and now has eight for the season. He needs just two more to tie the Clemson single season record held by Jim Stuckey (1979), William Perry (1984) and Michael Dean Perry (1987).
- \*After accumulating 18 turnovers on offense over the last four games, all Clemson losses, the Tigers did not commit a turnover today. In fact, Clemson has no turnovers in its two wins and 18 in its four losses.
- \*Antwan Edwards two passes broken up give him 30 for his career, tied for fifth in Clemson history with all-time great Terry Kinard.
- \*Adrian Dingle's two sacks give him 20.5 for his career, tied for fourth in Clemson history with four-time Pro Bowl defensive tackle Chester McGlockton.
- \*Brandon Streeter is now 18-31 for 284 yards and two touchdowns over his last five quarters of play and has taken the Clemson offense to 498 yards of total offense.
- \*Clemson had five drives of at least 45 yards today. Clemson had just eight drives of at least 45 yards over the last four games.
- \*Clemson has now outscored Maryland 108-12 under Tommy West and the Tigers are a perfect 5-0. Maryland has averaged under 200 yards a game total offense against Clemson under Tommy West.
- \*Clemson is now 24-2-2 on Homecoming since 1970.
- \*Maryland's 172 yards of total offense were a season low and the second best defensive effort by an ACC team against another league team this year. Florida State held Duke to 165 yards total offense earlier this season.
- \*Clemson's 1995 offense, the three-wideout set Tommy West's team used today, averaged 380 yards per game in total offense, 5.3 yards per play and 25.3 points per game, all highest by the Tigers in the West era and the best figures since 1991 in each area.
- \*Antwan Edwards now has four takeaways this year, two fumbles and two interceptions and has 160 yards on those returns.
- \*Kevin Laird has averaged at least 40 yards a punt in 13 of his last 14 games.
