Coaches' Quotes  
Clemson vs. North Carolina  
Clemson Memorial Stadium, Clemson, SC  
October 2, 1999

North Carolina Coach Carl Torbush

First of all, I want to compliment Coach Bowden and his team.

I thought Dantzler did a good job coming in off the bench in running the offense.

I think we got tired at the end. At halftime I told them we needed to play 30 more minutes and we needed to make plays and we didn't do that. I'm very disappointed in that. We gave up some big plays.

I think their deep pass really hurt us. It was 17-13 and that put them ahead for good. We just can't give up plays like that.

I thought our offense did some good things, but once again, we had way too many turnovers. Their misdirection worked pretty well and I thought we didn't tackle very well.

I think we have a chance to be a good team, but we have got to get it done on the field. We didn't do that today.

Clemson puts stress on you all over the field. Their defense is very physical.

Clemson Head Coach Tommy Bowden

"I thought we came back good in the second half after being tied at halftime. Like I told the players, they have to believe in themselves to do something like that. North Carolina played extremely hard, but on the other hand, I thought we did too. When we lost Streeter and Dantzler had to come in, I thought he was a little rattled at first, but it didn't take him long to get his composure, and you can see what he did after that.

"We asked them to just play hard and try hard and they would be successful. I am disappointed in our turnovers and hope that we don't have them, but that is part of the game. I thought our *running game looked better today. We always come up to the line and look for a read to look for a run.* I think that they tried a little bit harder in the second half, and the results show that. I thought the defense played well, with seven sacks and four interceptions.

When told that the team had 237 yards rushing and 206 passing, Bowden said, "That pretty balanced, and I could see it coming."

"There's nothing like winning, but the players have invested a lot of time and effort, and I think the backing of our fans helped out today.
