Coaches Quotes

Clemson vs. Florida State

FSU head coach Bobby Bowden

When we joined his conference back in '92, I said the natural games were going to be Florida State and Clemson and Florida State and Georgia Tech since we are down here on this southern end of the conference. We've had a couple of good battles with Tech and now we've had one with Clemson that they could have won as easy as we won, or as hard as we won. I sure am proud to win it. This is one of those *games you go out there and play and you feel like you're losing, you're losing, you're losing and you're going to get beat*. Then all of a sudden you win it and I don't even know how. This was a great game.

I believe the distractions we had last week must have carried over because Pete didn't catch the ball. Pete had a couple of times to win the darn game. I've never seen Peter do what he tonight since he was a freshman. But that was probably the way it should be. After what has happened, maybe that's what should be. Maybe he can get it back together. I think most of the praise goes to Clemson. They fatigued us, their game plan was good, they had us out of synch in the second quarter, we lost our poise. The one thing our kids did do was they came back in the second half with poise and then got the job done and that's what it takes.

Miami and us were 21-21 at the half and we shut them down in the second. Then we shut Clemson down tonight in the second half. We're so fortunate to have the defensive staff we've got. They made pretty good adjustments at halftime.

I told him after the game that he out-tricked me 3-0. I thought they did a good job. I've known Brad Scott, Jack Hines, Reggie Herring and Rick Stockstill a long time. Of course I've known Tommy for a long time. But they did a heck of a job.

It's amazing that they brought (Brandon) Streeter and brought this young man (Woody Dantzler) in in the last three games and do what they have done. They had a good game plan tonight.

Mama's happy I know. She wanted a close game that I would win because I'm older. She wanted her boy to look good and he looked good — he looked too good to suit me.

I'm very happy my players and coaches let me win my 300th. When I say they missed the field goal, my thought was, 'you've got it.' We were sitting there talking about what we were going to do in overtime.

TAY CODY QUOTES ON BLOCKING FINAL FIELD GOAL ATTEMPT

"I came off the end free. Nobody got a hand on me. I was fortunate enough to get a hand on the ball. Our season depended on it so I knew I had to give my best effort.

"Coach Amato originally called shade left and I asked him for block right. So we changed it and the wing man didn't get a hand on me."

Clemson head coach Tommy Bowden

I thought about going for a first down before attempting a field goal, but we had only been across the 50 one time in the second half. I don't think we could have scored for that reason because they have so many guns to come at you with. I at least wanted a chance to kick a field goal, but Florida State was playing too good and too hard and I think the next time I would probably go for the first down. I would have hated to leave that game and never have had the opportunity.

We work on that fake punt every week and Jack Hines is responsible for that, and he had noticed on previous Florida State films where this play would be successful. Jack should be given all the credit for the success of that play and I only called it in the ballgame.

During the game, you're so caught up in the game yourself, and it's just a chess match, and it seems that we stopped everything we tried to do. But we are so involved in the game, that the father-son thing didn't cross my mind, really. The father-son thing and playing No. 1 really went out the window the game kicked off because it's all pre-game and after-game. But down the stretch, you're just trying to create ways to move the ball. I didn't feel too comfortable at halftime, because just knowing my father and skill level his players are, and that's unbelievable really. But I am really proud of this ball club tonight. It is unbelievable the difference in the talent level between us and them — but I'm hoping we can catch them in a couple of years. Most people in the country are behind them.

They just stoned us at the line, but I think that we can get things leveled off in a year or two and play with 'em. They're No. 1 and we came a lot closer than the last few times we've played them. I think our players saw that they could play with them tonight.

I told the team after the game that I was really proud of them, but I didn't want them to misunderstand me because you're looking at a program, at a guy who's been there 25 years and built a really solid program, and we've been here 10 months. In that time, we have closed the gap and I think the potential is there to continue to close the gap. We need a little fine tuning that we can get onto after the season is over with.

Clemson Players

#1 Woodrow Dantzler - "You gotta give Florida State credit tonight, they are fast and quick. One minute there's a hole and the next it's closed."

"They did a good job of making adjustments. They took away our sprint-outs all day."

"There is no moral victory in this game. A loss is a loss. Close ones like these hurt."

"I had the wind knocked out of me when I had to leave the game."

#39 Tony Lazzara - "FSU has great athletes and they came through on the last field goal. The ball was deflected from the left side. I don't know who did it, but I'll have to watch it on the film to see what exactly happened." (Tay Cody blocked the field goal)

"I was well-focused when I went out there. I had a pretty good idea it would come down to a field goal. I did the same thing preparing for the kick that I had done every time before."

"It all comes down to not making the kick. There's no way to cover that up, I won't try. It's no one else's fault."

Tommy Bowden - "I was not sure if we could move the ball another inch even if we did get the first down at the end of the game. I wanted to give our kids a chance to go for the win because they had played so hard. We had run out of trick plays and I thought that was the best decision for our team."

"I think what my father has done to get to 300 is very impressive because of the way he did it. When he got to Florida State they did not have as much tradition as many of the other big schools in the country at that time. From the administration down to the coaching staff they have done it the right way and I hope that some day we will have that kind of success at Clemson."

Clemson vs. Florida State Notes

*Rod Gardner had six catches in tonight's game and now has 50 catches for the season in just seven games. This is the earliest in Clemson history that a Clemson receiver has reached 50 receptions in a season. He needs 20 catches in the last four games to tie Tony Horne's Clemson record for a season, 70 in 1997.

*Mal Lawyer's 49-yard reception was the longest of his career.

*Woodrow Dantzler had 24 rushes for 86 yards and now has 269 yards over the last two games, most ever in consecutive games by a Clemson quarterback. Louis Solomon had 220 yards in consecutive games against Virginia and Duke in 1992.

*Ryan Romano's 23-yard pass to Braxton Williams was the first reception for Williams and the first pass of Romano's career. Clemson kickers are now 2-2 passing for 32 yards this year. Tony Lazzara completed a 9-yard touchdown pass against Virginia Tech earlier this year. In fact, With Rod Gardner's completion tonight, Clemson has run trick plays with kickers and receivers throwing the ball four times this year and all four have been completed for 47 yards.

*Dantzler now has two receptions for 15 yards this year.

*Dextra Polite had another outstanding game in the secondary for the Tigers this evening. He had an interception at the end of the half to end a scoring drive, and was credited with two passes broken up. He now has 10 for the season, one of the top totals in the ACC and the top total on the Clemson team.

*Keith Adams had two tackles for loss, including a sack. He has now had at least one sack in six of the seven games this year and leads the team overall with seven. With his two tackles for loss, Adams now has 20 for the season. This is the fastest (seven games) that a Clemson player has reached 20 tackles for loss in a season.

*Tonight's attendance of 86,200 set an all-time record for Death Valley, a facility that opened in 1942. The previous high was 85,872 against South Carolina in 1994.

*This was the fourth time Clemson has played the number-one team and the Tigers are now 0-4 against #1. But, this was the closest Clemson has come to victory vs. #1. The previous best effort was a 7-0 loss to number-one LSU in the 1959 Sugar Bowl (end of the 1958 season.)

*Florida State broke Clemson's streak of consecutive ACC games scoring at least 30 points. Clemson had gone four straight ACC games scoring at least 30 points. The only other team in Clemson history to do that was the 1978 Tiger team that finished 11-1. Dwight Clark and Joe Bostic, two stars of that team, were in attendance tonight.

*Clemson's problems at night continue. The Tigers are now 5-14 in the decade of the 1990s at night and 66-44-1 by day. That is 27 percent vs. 66 percent over the decade. Clemson will play at Wake Forest in a 12:00 noon game next Saturday.
