LOU HOLTZ QUOTES

Clemson 31, USC 21

Saturday, Nov. 20, 1999

Three times inside the red zone and couldn't we score a touchdown.

On drive that cut Clemson lead to three: Kicking the field goal, we were still in good position. Down by 3.

The critical play was (Clemson's) fourth and 10 (on its last TD drive). They hit the fade route in the corner. The Guy makes a great play, a great throw. That was critical. We never bounced back from it. We will move on. ... We felt there two things they would try to do: try to draw us offside, or go deep. They don't want to run the risk of us running back an interception. We have had trouble playing the deep ball all year. ... It was not a surprise call. It shouldn't have been completed, but it was not a surprise.

Leavitt has a broken jaw. Cleanly broke. Don't know how it happened.

Two areas we have had trouble in the last two games: we can't score in the red zone. Also, we give up fade route inside our 30.

On offside calls: We lined up offside. One time it was cornerback, another time it was our end. We didn't line up any differently than we did all year. Mostly it was lining up offside. The game was well officiated.

Defensively, we did not play how we are capable. Give Clemson credit for what they did and how they did it.

I am sorry for our seniors. We just have to sit down and look at everything. I know we can have a solid kicking game next year. We have got to look at the offense. We have to start making plays.

Clemson is a good football team. Don't take anything away from them. They played well. But there are so many things. The fourth-and-10 play. We have a first down inside the 10. Pressure on our quarterback. We just get in periods.

It is over. There is nothing we can change about it. I have got to live with it. It's what we are going to do about it. In fairness to this team, the first nine weeks, they had no chance.

Our offensive line, I thought it would play a little bit better today. But we had some freshmen in there.

on defense: We only had seven interceptions all year. The main reason is we don't come down with the ball when they threw deep. We haven't done it most of the year. There are a lot of things that have to be changed.

It hurts, but I am not embarrassed. There is a reason we are where we are. Disaster struck at offensive line and quarterback. We don't want self pity. We are not going to stay where we are.

Tommy Bowden Quotes

The outcome of the game did not surprise me!

I agreed with Brad's decision not to talk to the media. Brad wanted to wait until today to talk to the media. I'm really happy for Brad and his family.

I like everything about this job but the game. It has been a long season.

Clemson had the #1 toughest schedule in the country. I didn't think a bowl game was possible. You never quit all year for the opportunity to go to a bowl.

This is more important to the seniors than to me. They get to go to a bowl in their final year...Clemson was eventually going to go to a bowl game.

I felt that the team was really prepared...there were a bunch of momentum changes, you can't single out just one.

The game itself remains the same. It's the week before, preparations, and the results that count.

South Carolina Player Quotes

Kevin House, Defense

"We are going to get it together."

Ray Green, Defense

"Things happen. We didn't make certain plays during the course of the game. (On being 0-11): I couldn't have imagined that in my worst dreams. I couldn't have imagined last year either."

Steve Florio, Special Teams

"I thought we had a chance and they made a play. They made big plays and we didn't. (On the future): It's a rebuilding process. We have a lot of talented players."

Arturo Freeman, Defense

(on the fourth quarter touchdown): "I should have played the ball. I thought it was going to be overthrown. It wasn't. It was my play. I have to be a man and take it. (On being 0-11): Things didn't go our way. I don't have any regrets. The team grew up a lot. We made a lot of progress. We have to learn how to win. I didn't think we would be 0-11 in my wildest dreams. It hurts, personally. I take it personal. It destroys me inside. As seniors we have to hold our heads up and look down the road."

Trey Pennington, Offense

"It's been a long year. We didn't make the plays today when we had to. This program will go on and get better. It's a shame we can't be here to see it."

Phil Petty, Offense

"The offense had its ups and downs. We have some things to build on. (On being in the red zone): Everybody wasn't on the same page. (Future?): It takes everybody to do it. We play well last week. We played well today. There are a couple of times we could have done something today and we didn't."

Clemson Player Quotes

#1 Woodrow Dantzler - QB

That last touchdown was just a big time player making a big time play. Rod told me just to put it up there and he'd go up and get it. That play was all Rod. We knew how good South Carolina's defense was coming into this game. We knew we would have to come out and play hard to win the game. Their front four is solid. My hats off to them, they played a great game. This year we just wanted to come out and show everybody we could play. Beating your arch rival is just something extra that comes with it. We had to win this game to be eligible for a bowl, and that was our main motivation for this game.

#46 Chad Carson - LB

We did what we had to today. I can feel for them (USC) right now. I know what players go through and it's tough. I'm sure they will turn it around. We have confidence in what our coaches say. After the Virginia game, we were kind of surprised at how good we were and that we had a chance to go to a bowl game. A bowl makes everything worth it, all the hard work has paid off.

#76 Jason Holloman - DL

It's nice to have a little break with Thanksgiving now. All we do now is sit back and wait and see what bowl takes us. Coach Bowden told us that if we wanted to lose this game we had the excuse to do it. But we said, hey, we're not going to lose and we are going to dedicate this game to Jarvis. We all wore the number 5 on our helmets today for him. We gave him the game ball and he's also going to get a helmet signed by all of us. We knew what we had to do this week to get back focused so we could win the game.

Clemson vs. South Carolina Notes

*Clemson Head Coach Tommy Bowden issued two game balls after the game in the locker room. The first will be brought this evening to Jarvis Austin, who is in the Hospital in Anderson in stable condition. The second ball was given to assistant coach Brad Scott

*Rod Gardner set two Clemson single season records today. He had 6-138 receiving and two touchdowns. He now has 73-1009 receiving for the season. He broke Tony Horne's record for receptions in a season (70 in 1997) and Perry Tuttle's single season mark for reception yards in a season. Tuttle had 915 in 1980. Obviously, Gardner is Clemson's first 1000 yard receiver in history. He became a 1000-yard receiver on the clinching touchdown in the fourth period.

Gardner's two touchdown receptions were a career high, in fact he doubled his single season total entering the game. He now has four for his career. Gardner's 138 yards receiving were also a career high.

*Gardner now has 101 career receptions, including the 73 this year. He is just the seventh player in Clemson history to reach 100 career receptions. He is only a junior.

*Clemson quarterback Woodrow Dantzler had 266 yards of total offense today, 249 passing and 17 rushing. He concludes the regular season with 580 yards rushing, most by a Clemson quarterback since Steve Fuller rushed for 649 in 1978. Dantzler went over 2000 yards of total offense for the season, he now has 2081. That is quite an accomplishment considering he played just 26 of the 44 quarters this year. He averages 230 yards per game, a Clemson single season record on a per game basis. His 2081 yards of total offense rank fifth best in Clemson history.

*Keith Adams continued his assault on the Clemson record books with four more tackles for loss and three sacks. He finishes the regular season with 33 tackles for loss and 16 sacks. The tackles for loss total is an ACC record, six more than any other player in league history. The sack total is second best in ACC history behind 19 by Peter Boulware three years ago for Florida State. He had 17 tackles off the stats in the press box, and that would give him 166 for the season. The Clemson single season record is 178 by Anthony Simmons in 1996.

*Clemson gained 425 yards of total offense today and now averages 403.6 for the regular season. This is only the third season in Clemson history that Clemson has averaged at least 400 yards per game, the first since 1991 when Clemson averaged 404 yards per game.

*Clemson had six sacks in today's game. The Tigers now have 46 sacks for the season, tying the Clemson single season record. Clemson's 1992 and 1996 teams also had 46 sacks.

*Travis Zachery had 105 yards rushing today. It was his third 100-yard game of the season. He also scored two touchdowns today, giving him 16 for the season, the second highest single season total in school history. The only total higher is 17 by Lester Brown in 1978.

*Clemson concludes the regular season with six Division I wins, three times as many as it had last season.

*This is the third time this year Clemson has scored exactly 31 points. Clemson scored 31 against North Carolina, NC State and now South Carolina. Virginia Tech scored 31 in defeating Clemson in the third game of the season.

*This is the fourth time this year Clemson had a 100-yard rusher and a 100-yard receiver in the same game. No Clemson team in history had done it more than twice in a season. Clemson had a 100-yard rusher and 100-yard receiver against North Carolina, Maryland, Duke and now South Carolina.
