Clemson vs. Florida State
Clemson Player Quotes

Chad Carson

"It was a pretty disappointing loss. When you feel you are really close and can't get it done it is disappointing. We never felt like we were out of the game. They are a very good team, but we feel we are too.

"When we lose a game it actually brings us closer as a team. We will fight hard and come back. We won't let this get to us. We still have a lot of goals we can still achieve.

"We never point fingers. If someone gets beat in the secondary, then we didn't get to the quarterback quick enough. We just have to keep our heads up and go to the next play.

"We are a unit, we work together and no one will give up.

"Rix knows what to do. He made plays, he did a good job executing their offense. Jones is a good back, he is strong."

Woody Dantzer

"A loss is a loss. We have to look at the things we didn't do right and correct them. Losing is part of life. How you react to the disappointments that determines your character.

"It is frustrating, we were playing as hard as we could, but things just didn't go our way. It is frustrating because you have to put points on the board because you know they will score. They are an outstanding offense in every phase of the game.

"Florida State always has great athletes on defense. They do a great job of pursuing. They have great speed.

"I still love the character of this team. Our fight out there today was great. We are going to fight to the end and that starts next week at Maryland.

"I am not satisfied with the way we played, but I am satisfied with the character of our team."

Coach Tommy Bowden

"We lost some momentum when the touchdown was called back, but I thought we were in the game at the time, we were moving the ball. We moved the ball well in the second half. I thought the momentum swing took place when Jones ran 51 yards for the score.

"We missed a field goal early, the punt run, and we had a pass open that we didn't make a good decision on, those were all keys also. We are still doing some things on defense, like giving up too many big plays. We are still looking to have a full game where the offense, defense and special teams come together.

"I thought we moved the ball on offense, we gained 460 yards today and that is a big improvement from last year.

"Bernard Rambert had a good game. I had not played him enough this year and I wanted to make myself play him more so I decided to start him. It was not anything that Travis Zachery had done, I just wanted to get Bernard in the game. He has worked hard and deserves playing time. He made the most of it today.

"I don't know why we have been more successful on the road this year. We had a great crowd today, they were into the game. I just wish we would have had a better performance for them today."

FSU GAME NOTES
FLORIDA STATE at Clemson
November 3, 2001

SECOND HALF

TALMAN'S LAST TWO

Talman Gardner has scored five touchdowns in the past two games and has also recorded back-to-back 100 yard games (140 vs. Maryland/115 vs. Clemson) – his first two of his career. Gardner now has a team-leading nine receiving scores on the year. Gardner did not have a touchdown coming into this season.

ON PACE

In a comparison to last season, both Talman Gardner and Javon Walker are on pace to reach or surpass last year's leader in receiving touchdowns and 100-yard games. Gardner already has nine touchdowns with three regular-season games remaining. Last season, Snoop Minnis recorded a team-high 11 receiving touchdowns in 12 games while Atrews Bell recorded 10. Minnis recorded seven 100-yard games a year ago and Walker has four already this season.

100 YARD RECEIVING GAMES

FSU has now had a 100-yard receiver in five of its eight games this season (Javon Walker has had four) and is 5-0 in those games. In the three games in which the Seminoles didn't have a 100-yard receiver, FSU is 1-2. Today's game marked the second straight contest (the only two of the year) in which FSU has had two players record 100 yards receiving in the same game as Javon Walker recorded a career-high 162 yards (as well as his first career multiple TD game with two) and Talman Gardner had 115 yards (and his second career multiple TD game with two). Gardner (140) and Atrews Bell (104) did it last week vs. Maryland. The last time FSU has had three players with over 100 receiving yards was the Clemson game last season on Nov. 4th, 2000 when Javon Walker had 109 yards, Bell had 111 yards and Snoop Minnis had 163 yards.

MR. JONES

With a career-high 160 rushing yards today on 17 carries, sophomore TB Greg Jones recorded his second career 100-yard rushing game. He averaged 9.4 yards per carry in today's game. He also recorded his career-long with his 51-yard touchdown run in the 4th quarter. He leads the team with six rushing TDs. Jones' previous career-highs were 107 yards on a still career-high 18 carries at Virginia. Jones is now the team leader in rushing yards.

RIX STEPS IT UP

Through the first six games of this season, QB Chris Rix recorded a total of nine touchdowns. In the past two games, the redshirt freshman has really come into his own, tallying nine touchdowns. He also seems to be setting new career-highs with each week. Today he had a career-high 19 completions on 30 attempts (ties career high) for a career-high 369 yards and four touchdowns. Last week he had a career-high five touchdowns on 15-of-24 for a then-career-high 350 yards.

Clemson vs. Florida State

Florida State Head Coach Bobby Bowden:

Feelings on the win: "Today I felt like both of us had to have it. Both of us needed to win it. Tommy needed some momentum, we did too. It didn't feel real good. The win felt good and I'm glad we won, but there are a lot of guys I used to coach with. I even raised some of them and it takes a little of the luster out of it. We had a chance there when we could really put them away, but they wouldn't let us. They kept coming back. I never felt really good. Dantzler brought them back twice when they were fourth and long and he threw it long."

On the passing game: "We threw and caught in the first-half about as well as we have all year. They were determined to keep us from running the ball. That's the way most people play. They kept fighting."

On the crowd: "When that crowd gets into it, you can hardly hear. Rix did a good job, pulling them offside once and did well not to panic."

On Clemson's fake punt that was called back: "That hurt them big. That would have made it 17-14, brought them within three and gave them momentum. It shocked us, and that was a big play. I loved the call... didn't everyone in the world know they were going to do it? I know him good enough. If I could have gotten to my staff, I would have told them they were going to fake. I just didn't know they were going to go up the middle."

On FSU's youth: "I've been crying young all year because we are young, but they're younger than us. Our freshman are playing second team, some of Clemson's freshmen are starting. We don't usually play freshmen that much."

On FSU's improvement: "I think it is related to Rix's improvement. When you start a year with an inexperienced quarterback, that's when the importance of a quarterback begins to show itself."

Clemson vs. Florida State Notes

*Clemson gained 463 yards of total offense in today's game, the most the Tigers have ever gained against the Seminoles. The previous best was 428 yards by the Tigers against the Seminoles in Death Valley since 1995. Clemson had 321 rushing and 107 passing that day. Clemson had 277 passing and 186 rushing today. The 277 yards passing were the second highest figure for the Tigers against the Seminoles. Clemson had 285 passing in the 1997 contest.

*Woodrow Dantzler had 336 yards of total offense in today's game, most ever by a Clemson player against the Seminoles. Dantzler had 277 passing, most ever by a Clemson player against Florida State and 59 rushing.

*Dantzler went over the 5000 passing mark in today's game. His 277 yards passing today gives him 5219 for his career. He is now second on the Clemson career list, trailing only Nealon Greene, who had 5719 between 1994-97.

*Dantzler now has 1760 yards passing and 737 rushing this season. He is on pace for 2420 passing and 1013 rushing for the season. No quarterback in NCAA history has had 2000 yards passing and 1000 yards rushing in the same season.

*Today marked the fifth time in the last six games that Dantzler has had at least 300 yards of total offense. Dantzler now has 11 of the 24 300-yard total offense games in Clemson history. Most of his top total offense games have come on the road. In fact, his 336 yards today were a career high for the graduate student for a game at Death Valley. His 277 yards passing were also a career high in Death Valley for Dantzler.

*Derrick Hamilton was Clemson's leading receiver in today's game with 7-88. Hamilton broke the Clemson freshman reception mark last week and today he broke the freshman receiving yardage record. He now has 518 receiving yards for the year, ahead of the mark of 484 by Terry Smith in 1991.

*Brian Mance had two interceptions in today's game, his second two-theft game as a Tiger. He had two interceptions against Missouri last year. He is the first Tiger to have two interceptions in a game this year. Mance also had 100 yards in kickoff returns and 11 in punt returns. Mance missed the North Carolina game two weeks ago when his brother, Kenny, was tragically killed in auto accident just a couple of miles from his home near Sumter, SC.

*Travis Zachery had five receptions today and now has 35 for the season, 95 for his career. He needs five more catches to become the first Tiger in history to have 100 career receptions.

*Bernard Rambert made his career start today and he responded with 67 yards in 11 carries and a touchdown. It was the highest rushing total of the year for Rambert, his high effort since he had a career best 70 yards rushing against Mississippi State in the 1999 Peach Bowl.

*Clemson injuries: Ben Hall suffered a separated shoulder. Jackie Robinson suffered a pulled groin. Derrick Hamilton suffered a sprained ankle late in the game.

*Clemson ran 86 plays today, its high total for the year and most since the Tigers ran 95 against NC State last year.

*Florida State averaged 9.5 yards on first down in today's game.

*Clemson won the turnover margin, yet lost the game. It was the first time that has happened this year. Clemson had been 7-1 over the last two years when it has won the turnover margin under Bowden.
