GAME NOTES – SOUTH CAROLINA VS. CLEMSON – Nov. 17, 2001

The two first half interceptions by Sheldon Brown were the eighth and ninth of his career but his first two this season. Brown had one interception as a freshman in 1998, two in 1999 and four in 2000.

The two field goals by Daniel Weaver was his 11th and 12th of the season in 16 attempts. The field goals were from 29 and 42 yards. Weaver has made seven of eight attempts between 20 and 29 yards and three of four between 40 and 49 yards. The 12 field goals by Weaver are the most by a South Carolina player since Reed Morton kicked 13 field goals as a freshman in 1993.

The 96 yard first quarter touchdown drive by Clemson was the second longest scoring drive of the season against South Carolina. Vanderbilt had a scoring drive of 97 yards.

The attendance of 85,000 increased South Carolina's total for seven home games this season to 578,295. The total is 100 more than the single game record of 84,900 in the game last week with Florida. The average attendance this year in Williams-Brice Stadium is 82,602, a school record.

The six yard run second quarter run by Derek Watson was his seventh touchdown of the season and the 19th of his career. The Watson touchdown climaxed a seven play, 86 yard drive. The key play of the drive was a 36 yard third down and 14 completion from the South Carolina 10 yard line from Phil Petty to Andrea Gause.

The one yard fourth down plunge by Corey Jenkins was his third touchdown of the season. The drive covered 80 yards in 14 plays.

The 11 yard sack of Woodrow Dantzler by Antoine Nesmith in the fourth quarter was the first sack of the season by Nesmith.

The fourth quarter interception by Andre Goodman of Clemson's two point conversion attempt counts as a failed two point conversion only. Dantzler was officially intercepted twice on regular scrimmage plays.

South Carolina was eight of 19 on third down conversions and three of four on fourth down conversions. Clemson was five of 13 on third down and zero of one on fourth down.

POSTGAME QUOTES – Nov. 17, 2001 (USC vs. Clemson)

SOUTH CAROLINA HEAD COACH LOU HOLTZ

It has been a long, difficult season. I'm happy for the team, and I'm proud of them. I'm happy for the coaches, the players, everybody that has had anything to do with it.

It was a fairly contested game, a lot of big plays. Field position was critical in the second half. Our patience on offense was crucial. Clemson played well on defense. Dantzler was outstanding.

Petty stepped in and did well.

We will be ranked 52 weeks in a row. We stayed in the top 25 all year. I am proud of that. It's not easy to do in this conference. That's eight games winning back to back. We have a great coaching staff, and we may lose some. We'll just have to see.

We will certainly miss our seniors. We've got some good ones, good solid players, good solid people.

We have to keep improving. We were 0-21 two year ago. Clemson had just beat us to qual for the Peach Bowl. The future never looked any bleaker. But I appreciate Dr. Palms, Dr. McGee, and people that kept faith in us. That was difficult, that was hard. Our fans have been great, tremendous. It has been an experience.

It has been a pleasure to be involved in this rivalry. I congratulate Clemson. I think they will have no trouble going to a bowl. They will represent the AC very well.

We didn't play with Paige and Johnson. We played without Harney, Edwards. Guys like Brownlee came up big.

We didn't know if Petty would be able to go in the second half. I listen to the trainers. I don't even know when I'm sick.

I thought Brian Scott played well. Petty also. The two seniors stepped up.

On ball control: Skip doesn't like that. We wanted to be able to control the ball, get first downs, not be impatient.

On Sheldon Brown's first interception: If we don't get that, they kick a field goal. We hung in there, found a way.

On officiating: Some conferences interpret things differently. I appreciated the attitude of the officials. Their interpretation of the chop block was not our interpretation.

On going for it on fourth-and-goal at the 1: I felt if we don't get it, we don't deserve to win. And we would have more scholarships available next year.

On beating Clemson: I've been involved in a lot of rivalries, but I never felt as much pressure as I did from this one. Not from anybody. I just felt we had to break out of it. At the same time, two years ago, we were flat on the bottom. I felt it was very important. But it was self inflicted pressure. It was a long, long week.

On bowl preference: I would prefer to go to the Rose Bowl. I'm not sure if we'll get invited, but that is my first choice.

On defending Dantzler: We never tried to sack him. We just tried to contain him.

On offensive line's confidence: I felt our offensive line was confident. I felt that against Tennessee and Florida. But without Paige and Johnson... We did it without an upperclassman. Strickland hadn't played five plays this year. If he had a dollar for every time I threw him out of practice, he could pay his own way to school.

On season in general: The only disappointment is the way we played against Florida. Is this where we want to be? No. But I have to say this has been a very, very satisfying season, with the exception of one game.

On final score: We beat them twice as bad as they beat us last year.

USC vs. Clemson

Head Coach Tommy Bowden

“First I want to congratulate South Carolina, Coach Holtz and his staff. They really took control in the second half. I agree with what I said earlier, you don’t appreciate a victory in this rivalry until you lose it.

Alabama had great success with the option. We’d been carrying it with us all year, and we ran it more today. It worked well in the 1st half, but we didn’t get much of an opportunity in the 2nd half.

The turning point was the 3rd quarter, they had some long drives, we needed more chances with the ball.

On Fourth Down try in 1st quarter: I don’t think the game can be lost in the 1st quarter, we tried to throw it down field and it didn’t work out. That’s the kind of play you run once, maybe two times a year.

The defense played well in the 1st half, they wore down in the 2nd, they had over 200 yards rushing which is too much.

I thought it would be a close game, didn’t think it would be high scoring, both teams played well.

We expect penalties in a game like this. Of course we aren’t happy with them but the officials did a good job of keeping it in control.

On onside kick- If we onside it, we have a chance, if we kick it long they catch it. There really was no choice, I wanted to give us a chance to win.
I thought we played hard against a good team.

Hurting recruiting? South Carolina has lost 2 years in a row, and they are still in the top 25, so it can’t hurt too much. It’s a tough loss, I have to go explain it to IPTAY!

Pinnock is a big load, you can’t arm tackle him.”
