Clemson Head Coach Tommy Bowden
October 25, 2003
North Carolina

On the play of the offense

"My hat is off to Coach Bunting and the North Carolina coaching staff. They lost a tough game last week that came down to the wire. They have a very talented team and a very talented quarterback. One thing about the team here in Clemson is that they have not quit. We've played a bunch of sixty minutes games and we have given a great effort. We did not play our best game defensively, but we won the game. When we can play not as good on the most important side of the ball and still win the game, it says a lot about our team."

On the running game

"It was the first game where we had a back rush for over 100 yards in Duane Coleman, and we rushed for over 200 yards. We look at how their safeties are playing and either run it or throw it accordingly. The offensive staff, Brad Scott, Burton Burns, Mike O'Cain, Ron West, Dabo Swinney, did a good job of preparation. The offense played well. We had a bad second quarter, but played well the rest of the game."

On the fourth quarter

"Derrick Hamilton had a great game to bounce back from last week. Aaron Hunt is now six for six since he started off badly. Our snapper went down sick so Josh Smith stepped in and did a great job, with Cole Chason holding. Offensively we responded well. Derrick Hamilton's kickoff return was big. Burton Burns coaches that team."

"We did not play our best game defensively, but our offense generated over 500 yards. We had some big plays by Charlie Whitehurst and some skill players. The offensive line did a good job run blocking and we had some big plays by the backs. It's always good when your offensive guys respond to scoring by the opponent. It was the opposite of last week where offense did not play as well but defense had a good game."

On "illegal touching"

"That's when a receiver steps out of bounds and comes back in. It happened twice with them and once with Duane Coleman on a scramble. I've never seen it called that many times in a game though."

On offensive line play

"They have run really well blocking for backs. Coming into this game we were second in the nation in loss fumbles with backs and all our skill people. They've done a good job of holding onto the football."

Clemson Player Quotes
North Carolina game, 10/25/03

Quarterback Charlie Whitehurst:

"I think that was one of the worst games I've played all year. Our defense kept us in it by making plays. Derrick Hamilton made a bunch of big plays for us, too. Then we came out on top, but a win is a win. When they were in press man coverage, we wanted to get behind them. But they run so well in the secondary you have to throw up some jump balls. Maybe not jump-balls, but definitely high-percentage underthrows."

Cornerback Justin Miller:

"We gave up a lot of yards, but kept working hard and forcing turnovers. That was our strategy on defense today. We wanted to create turnovers. The final turnover was a big one. We really needed that. They were almost in the endzone for a score, but we stopped them right there. That gave us the win at the end.

"It felt good to get my first interception. I've been waiting all year to get one, and today it finally happened."

Kicker Aaron Hunt:

"I have a good little streak going over the last couple of games. It just comes from practice and hard work, so it feels good. It has helped me relax a little bit. You have to be confident at this position. After you get a few under your belt, it gives you that little edge. Instead of doubts, you get the feeling that you know you can do it. You always want to go out there and do your best."

North Carolina Head Coach John Bunting
Post-Game Quotes

Overall:

"I really feel bad for our players and our coaches. We came back from a 13-0 deficit; we never got down. Our kids played their hearts out. I told them that if we keep playing like we did today, then they will be rewarded. Now we just have to get ready for next week's game."

On special teams:

"I was just disappointed in the one kickoff coverage. We had been covering their return guys well, and then we had one breakdown in special teams, and it really hurt us."

On defense:

"We played well on defense. We had very few missed tackles, and we got some good pressure on the quarterback. We need to make big plays when we have the opportunity. We need to create turnovers. We had two dropped balls that should have been interceptions. But the defense stepped up and stopped them when we made turnovers, and I am very proud of them."

On offense:

"Our offensive line is very talented. We have a quarterback who is very good, and he is a tough kid. I thought that we did a great job of running the ball. But we had a few execution problems. We tried to force some plays that we shouldn't have and ended up turning the ball over."
