Tom O'Brien Quotes

It would be an understatement to say we aren't elated to win this game.

It may not have been pretty, but the results are beautiful.

Matt Ryan took some big hits but came back and played great.

Quinton Porter was only going to be used in an emergency situation, and we didn't feel like it was an emergency situation.

Ninety plays is about our average.

Playing in this heat and humidity was really tough. Our guys were very tired.

Andre Callender was phenomenal today. He and L.V. Whitworth give us two good backs we can rotate in and out.

I don't think I've ever had a football team to hold an opponent without a 3rd down conversion.

We had way too many penalties today.

It's nice to have an ACC win. Hopefully, no one left on our schedule is better than Florida State.

A lot of people think we shouldn't be in the ACC and don't think we can compete in this conference.

In overtime, we wanted to play defense first. Our defense stepped up. We made a key third down conversion and Andre Callender had a big run.

You have to give (offensive coordinator) Dana Bible credit.

It's not a secret anymore. Our offensive line is pretty dang good.

Matt Ryan had a good forward lean and just pushed his way in.

We are elated with this win. Our players had no clue what they were walking into. But we have been to Virginia Tech, Notre Dame, and Penn State so we were used to these hostile environments.

The heat was what really bothered me.

Brian Toal could have been our MVP on offense and defense today.

CLEMSON vs. BOSTON COLLEGE

First-ever ACC win for Boston College

Today's win is the first ACC victory ever for Boston College. The Eagles lost their first-ever ACC game on September 17, 28-17 to Florida State.

BC's unbeaten streak against Clemson stands at four

With today's victory, Boston College owns a four-game unbeaten streak in its series with Clemson, the Eagles' longest unbeaten streak in the series. Clemson's longest unbeaten streak in the series is five, four victories and a tie between 1950-58.

Fourth nail-biter in a row for Clemson in '05; Second straight OT loss

For Clemson, today's game was the fourth time in as many games in 2005 that the outcome was decided in the final 2:58 of play. Today was Clemson's second overtime loss in as many weeks. Prior to last week's 36-30, triple-overtime loss to Miami (Fla.), Clemson had never lost a game in overtime (5-0).

All four of Clemson's games in 2005 have been decided by six or fewer points. This was the first time in 2005 that Boston College has played in a game decided by fewer than 10 points.

Clemson can't sustain second-quarter rushing success against BC

Entering today's game, Boston College had allowed an average of 39 rushing yards per game, the third-best figure in the nation, and the best mark in the ACC. The Eagles held Brigham Young to 8 total rushing yards and Florida State to 13 total rushing yards.

In today's first quarter, BC held Clemson to minus-7 yards rushing on four carries, but in the second quarter, Clemson rushed 12 times for 78 yards. Charlie Whitehurst's one-yard touchdown run in the second quarter was only the second rushing touchdown surrendered by BC this season.

After permitting those 78 second-quarter rushing yards, however, the Eagles permitted the Tigers just 29 net rushing yards in 13 second half carries.

For the game, Clemson rushed 29 times for 102 yards, an average of 3.51 yards per carry. Those figures eclipse the previous season highs against BC, all set by Army – 35 rushes, 96 yards and 2.7 yards per carry.

Third down conversions critical

Clemson failed to convert a third-down in 11 attempts today, while BC converted 10 of its 20 attempts. Neither team attempted a fourth-down conversion. Since Clemson began keeping third-down conversion attempt statistics in 1978, the Tigers have never gone an entire game without converting at least one third-down attempt.

Turnover-free football doesn't bring Clemson victory

Entering today, Clemson had won 12 straight games in which the Tigers committed fewer turnovers than their opponent. The Tigers won the turnover battle today, committing zero turnovers to BC's two.

That drops Tommy Bowden's record at Clemson to 28-8 when the Tigers win the turnover battle. The Tigers are now 10-2 under Bowden when committing no turnovers. On the season, the Tigers have yet to lose a fumble and have committed just one turnover in 282 snaps in 2005.

Tigers keep penalty count low

Clemson entered today's game leading the ACC in fewest penalties with 11 for 87 yards (all games). In today's first half, the Tigers were not called for any penalties. By contrast, the Eagles committed eight first-half penalties for 52 yards. Clemson's first two first downs of the game came via BC penalties

For the game, Clemson had two penalties for 31 yards, while BC had 11 penalties for 76 yards. Both of those marks are new season highs for the Eagles.

Whitehurst sets Clemson record for most quarterback starts

Senior quarterback Charlie Whitehurst set a Clemson record today by starting his 33rd consecutive game at quarterback, breaking the record he shared for one week with Tommy Kendrick, who started 32 straight games at quarterback for Clemson from 1969-71;

Whitehurst passes 8,000-yard mark in total offense

Whitehurst's 37-yard pass completion to Curtis Baham in the third quarter put Clemson's senior quarterback over the 8,000-mark in total offense for his career. Whitehurst stands 12th on the all-time ACC total yardage list with 8,088 yards. Steve Slayden of Duke (1984-87) is 11th with 8,129 yards. Philip Rivers of NC State (2000-2003) leads the all-time list with 13,484 yards.

Clemson tight end Hunter enjoys career day

Clemson senior tight end Thomas Hunter had one career reception prior to today's game. Hunter caught two passes for 17 yards on Clemson's first scoring drive of the day, and finished the game with three receptions for 20 yards.

Waters leads Clemson in tackles for third straight game

Clemson junior linebacker Anthony Waters had a game-high 14 tackles for the Tigers, marking the third straight game in which he has led Clemson in tackles. Waters tallied one tackle for loss, a pass broken up and a quarterback hurry in today's game. Waters now has 44 tackles in 2005, tops on the Tiger squad.

Charlie Whitehurst quotes:

"All of these losses hurt the same. There isn't one that hurts more than the other. We had the opportunity to win."

"We didn't pass as much as last week because you have to take what the defense gives you. I got sacked on the second time I dropped back to pass, and we ran the ball successfully."

"They are a good football team. They kind of snuck up on us and took the win away."

"The defense was tough today. It was frustrating being on the sideline and not getting out on the field."

This is the first time this season that we didn't play well as a team. Now is the time that we have to have a gut check.

Tye Hill quotes:

"It is a long season. We still have a shot at Jacksonville. That was our first loss in the division, now we have to make sure to take care of everyone else."

"I think that this game was won in the trenches. It was a very physical game, and they were just able to make more plays."

"90 plays is a lot for our defense to be out on the field, but we are all well conditioned."

"I believed that we were going to win. It is all about what you do next week. Wake Forest is a tough team, and we will have to be ready to play when we go up there."

"Shock. It looked like we had a chance to win, and they took it away."

Clemson Head Coach Tommy Bowden Quotes
Vs. Boston College
9/24/05

On the physical style of the game

“We couldn’t make a play down the stretch either on offense or defense to go ahead, to get a winning point, a winning run, a winning chance. We just couldn’t make it. A lot of credit goes to B.C. They are a quality team. We’re two plays away from being 4-0.”

On the third-down conversion rate

“We’ll have to improve on that. We won’t win many games like that. It just goes to show you how close we are that we can be 0-11 on third-down conversions and play a top-25 team right down to overtime. If we’re going to have any success, we’re going to have to convert third downs.”
