**Tommy Bowden Quotes**  
**Clemson vs. Duke – 11/5/05**

“I think it takes a unique guy to prepare to be the starter every week but then see another guy roll out there every Saturday. Will Proctor has been very patient and I think that patience showed today. He looked like a smooth operator out there.”

“Anytime you get the type of rushing output we got today, it’s going to help your offense. Rob Spence has done a good job with our running game and we have some new blocking schemes this year. It’s not just the offensive line that helps our running game, it’s the tight ends and fullbacks.”

“Our team and our coaches did a good job this week from a motivation standpoint. Our crowd was very into the game today as well.”

“Our senior leadership really showed this week coming after a tough loss a week ago. Motivation should not be a problem this coming week.”

“Defensively, we did a good job against their rushing attack and made them one dimensional early in the game.”

“They had some success today moving the ball through the air.”

“We played a lot of young guys in the secondary today. We have played a lot of young guys on defense all year. When you have young guys in the secondary, you put them out there and they don’t give up big plays.”

**Ted Roof Quotes**  
**Clemson vs. Duke – 11/5/05**

“We had too many early mistakes. That got us in a hole that we couldn’t get out of. But you have to credit Clemson. They’re a really good team.”

“Clemson blocked and ran the ball really, really well.”

“They (Clemson) had a lot of 2<sup>nd</sup> and 2, 2<sup>nd</sup> and 3, and 2<sup>nd</sup> and 4. We have to do a better job stopping the run, especially on first down.”

“They did a really good job mixing it up today with the run and pass.”

“The blocked field goal right before halftime was a big momentum shift. We were going to make it a two possession game. And then we took the opening drive in the second half and scored. That would have made it a one possession game. That was a huge momentum shift. We just have to protect our kicker better.”

“We had some success throwing the ball. Zack Asack was accurate and our receivers ran precise routes. This was without a doubt our best passing game yet.”

“As far as penalties go, we’ve got to do a better job coaching and our players have to do a better job executing.”

“Instant replay was put in to try and make the game better. I’m for whatever makes it better.”

“We’ve been getting better. It’s one thing to be able to pass the ball in practice, but to pass it on a good team like Clemson is a good accomplishment and something we can build on.”

**On Clemson scoring late**

“They’ve got to run their offense and do their deal. I don’t think they were running the score up.”

## **Clemson vs. Duke Notes**

- Clemson had 234 yards rushing and 216 yards passing today. Clemson has never lost a game in which it has had at least 200 yards of each. The Tigers are 2-0 this year 44-0-1 in its history when gaining at least 200 yards of each.
- Reggie Merriweather had his third consecutive 100-yard rushing game today with 18-104 and three touchdowns. He is the first Tiger since 1996 to have at least three consecutive 100-yard rushing days. Raymond Priester had at least 100 yards in each of his last four games in 1996 and he is the last to do it.
- Chansi Stuckey scored his first career touchdowns on pass receptions today. He scored on an 11-yard touchdown reception from Will Proctor with seven seconds left in the first half, then scored on a 40-yard touchdown reception from Proctor on Clemson's first possession of the third period. That means Stuckey went his entire career without a touchdown catch, then had touchdown catches on consecutive Clemson possessions and consecutive Clemson pass plays.
- Stuckey became the third player in Clemson history to account for a touchdown four different ways. He was a quarterback as a freshman and threw two touchdown passes at Wake Forest. He scored on a touchdown run at South Carolina later that year. Earlier this year he scored on a punt return against Texas A&M. Stuckey joins Ray Mathews 1947-50 and Bobby Gage, 1945-48, as the only players in Clemson history to account for touchdowns four different ways.
- Tramaine Billie blocked a field goal in today's game. It was the first blocked field goal by a Tiger player since the 2003 South Carolina game when Travis Pugh blocked Gamecock field goal attempt. Clemson also had a blocked field goal on offense. It was the first time Clemson had a field goal blocked since 2000 and just the second time under Tommy Bowden.
- Tommy Bowden gained his 49<sup>th</sup> win at Clemson today. He will go for number-50 next week when he faces his father in Death Valley.
- Will Proctor made his first career start today, ending Charlie Whitehurst's record streak of consecutive starts for the Tigers at 37 in a row. Ironically, Whitehurst's streak started against Duke in 2002 and today ended when he did not play against Duke.
- Proctor established career highs in completions, attempts, yards and touchdown passes.
- Senior Lionel Richardson was credited with a season high seven tackles on defense.
- Clemson scored 49 points today, its high total in a game since the Tigers scored 63 at South Carolina in 2003.
- Clemson scored 21 points in the second half, Clemson's highest scoring second half this year.
- Today marked the second time this year Clemson had a multiple touchdown rusher and a multiple touchdown receiver in the same game. Merriweather had three touchdowns rushing and Stuckey had two touchdowns receiving today. Curtis Baham had two touchdowns receiving at Maryland and Merriweather had two rushing at Maryland.
