Tommy Bowden Quotes
Florida Atlantic Game

On Challenge Play

"I wanted to call a challenge on the play and he wouldn't let me. I could have sworn that that was a new rule this year. I was very upset because it is a new rule that you can challenge and I wasn't able to do it."

On Proctor

"He was a little wild early. On the fumble he went the wrong way, and James went the right way on the exchange. Other than that, he did a really good job. He went from not being the main guy for a long time to being the main guy in about 4 or 5 months. Some of the turnovers that were made when he was out there I wasn't too concerned about. The touchdown pass settled him down a lot, and I am sure that it felt good for him to throw it. Rob (Spence) would probably give him a B for the game, I would probably give him an A-."

On Reggie Merriweather

"He is a good little back. I think that when you have skill position players, it is good for them to play with a little chip on his shoulder. He shows up every week ready to play, even when James (Davis) came in last year and got a lot of attention. It takes a very special guy to do that from a personal standpoint. You want skill guys who want the ball. With Davis and Spiller getting some time at running back, he won't get as many touches as he wants to, but he has handled it very well."

On Turnovers

"The only turnover that was a concern to me was Renderick's (Taylor) fumble. The other ones we had, Spiller fumbled a kickoff, but we have to remember that he is a true freshman. As I said before, when you play that many young kids, you have to be able to live with the mistakes that they are going to make. The interception was a tipped ball, that didn't worry me too much. These would concern me next week, but we played a pretty clean game."

On Punts

"There was one situation that we had a third and long, and I thought about going for it when we got into fourth and long and just running a draw. Not punting doesn't give us a chance to evaluate how we will be, but it also doesn't give Boston College a chance to see our punt protection either. That's good and that's bad."

"The main thing that I was concerned about was the mental state of the team. Obviously, you want them to be ready, and that is a concern when you come in and are favored to beat a team by 30 points. We have always had a problem playing up and down to the competition. We would beat Florida State and then lose to Wake Forest."

Howard Schnellenberger quotes:

“Well I certainly want to congratulate Tommy and his staff. Their receivers looked like large receivers. I didn’t see a skinny kid out there. Three hundred pound linemen...I’ve never saw one.”

On starting quarterback Rusty Smith: “He did a couple good things. Playing against a team 13th in the country and a defense that may be better than 13th in the country.”

On the mistakes: “The big ones were just plain stupid. They fumbled the ball, then ran the distance.”

“I told the team I was disappointed. We didn’t play sound enough to get what we hoped to get out of it.”

Clemson vs. Florida Atlantic Owls Game Notes
Saturday, September 02, 2006
Clemson Memorial Stadium

- The Clemson Tigers played 52 players in the first quarter and 73 for the game.
- Head Coach Tommy Bowden played 20 true or red-shirt freshmen in Clemson's season-opening win over Florida Atlantic. Nine of those players were first-year freshmen, tying the number of most first-year freshmen played under Bowden (2001).
- True freshman Jacoby Ford (#6) returned a punt 92 yards after fielding, fumbling, then scooping up the 42-yard punt to score the first touchdown of his Clemson career. That return also ranks as the longest punt return in Tiger history, as Richie Luzzi's 108-yard return in 1968 was actually a missed field goal return.
- Thomas Hunter's (#89) 28-yard catch in the second quarter was a career-best for the senior from Marion, SC.
- Sophomore Michael Hamlin's (#25) 74-yard interception return was the longest by a Clemson player since Rex Varn's 94-yard return at NC State in 1978.
- James Davis (#1) led the Tigers in rushing yardage in today's win over the Owls. The sophomore from Atlanta, GA, rushed for 94 yards on 14 carries, marking the fifth time in his career that he has carried for at least 94 yards.
- In his second career start, senior quarterback Will Proctor (#14) completed 13 of 20 pass attempts for 166 yards and three touchdowns. For his career, Proctor is 31-54 for 447 yards with six touchdowns for a 57.4 completion percentage.
- The last time a Clemson quarterback threw three touchdowns in the season opener was in 2000 when Woodrow Dantzler tossed three touchdown passes in a 38-0 win over the Citadel. The only other quarterback to accomplish the feat was in 1995, when Nealon Greene scored three touchdown passes in a 55-9 win over Western Carolina.
- The Tigers' 54 points are the most points scored in a Clemson season opener since 1995 when Clemson scored 55 points in its win over Western Carolina.
- Clemson has had a punt return for a touchdown in its last three season openers. In 2004, Justin Miller returned a punt for 69 yards, while Chansi Stuckey returned a 40-yard punt for a touchdown in 2005.
- Today's game against the Owls marks the fourth time since 1980 and the first time in a season opener in which the Tigers were not forced to punt. In 1988, Clemson had back-to-back games without a punt (North Carolina, Maryland), and in 1981 the Tigers did not punt in their win over Wake Forest.
- Sergio Gilliam's fumble return for a touchdown is the first for a Tiger since J.J. Howard's 17-yard return against Furman in 2003. It was the first time a Clemson player has returned a fumble for a touchdown in a season-opening game since 1998 when Chris Jones scored a touchdown after a fumble in the Tigers' 33-0 win over Furman.
- Senior placekicker Jad Dean has scored 161 points during his career with the Tigers. He is only one point away from moving into a tie for 13th on Clemson's all-time scoring list.
- Graduate wide receiver Chansi Stuckey increased his streak of consecutive games with a catch to 22 with five receptions for 66 yards. For his career, Stuckey has 96 receptions for 1126 yards to average 13.2 yards per reception.
