## Tommy Bowden Quotes

On running game:

“Coach Spence had a good plan. However, the players have to have the right mindset in order to rush for that many yards. It starts up front with the tight ends, and the offensive line, everybody has to get involved.”

“When you can run like that, it sets up so many other things. It really makes it difficult on the defense with all the different formations that we can throw at them. There is no doubt that the running game helps.”

“In order to put up those kind of rushing numbers, you have to have all of the ingredients. If you can run like that, you will win a lot of ball games.”

On Demerick Chancellor:

“He has great strength and power. He is still only a freshman, and he is just going to get bigger and stronger.”

On defense:

“I think with the way our schedule sets up, you have to ride on the shoulders of the defense to get where we want to go.”

Louisiana Tech vs. Clemson  
September 30, 2006

**Louisiana Tech Head Coach Jack Bicknell**

When asked to compare Clemson to Nebraska and others:

*"I hate to do that but they are one of the top five teams I've played against. They were just as good as one of them I thought. They just have outstanding athletes. Their offensive line is as good as I've seen. Their defensive ends are what you would put on a picture of a defensive end."*

When asked about the play of wide receiver Eric Newman:

*"He did a nice job. I was proud of our team. After we gave up the two touchdowns early in the third quarter... they continued to fight hard the whole time."*

When asked about freshman running back Daniel Porter:

*"Yes, he did a nice job. He's a young freshman and played well."*

**Clemson Senior Wide Receiver Chansi Stuckey**

“It was just one of those games where everything went right. The coaches and the seniors had stressed all week to avoid a letdown. We did that.”

“I can’t say enough about our running game. Being able to run the ball like we did makes it very tough for a defense. It forced them to play our receivers one on one. The way our offensive line blocked made it easy for both the backs and receivers.”

**Clemson Offensive Lineman Nathan Bennett**

“Our offensive line takes a lot of pride in being able to run the ball. It was a good night for that. When we block well James Davis can make some big plays. When we don’t block well James Davis can make big plays. He really came out from the start and dominated.”

**Clemson Running Back James Davis**

“For the last few weeks I had been close to 100 yards. I was glad to get that out of the way early. I can’t say enough about my offensive line. They opened up holes for me, C.J. (Spiller) and Demerick (Chancellor) the entire game. When we run the ball like that we are tough to stop.”
