Clemson vs. Furman
Coaches' Quotes

Coach Tommy Bowden's Press Conference

On team's performance against Furman:

"I thought we performed well against Furman today. Furman made the game close today, even though we came out with a 38-10 victory. We played a nine man front allowing for deep passes. We gambled a couple of times on the blitz, which lead to the sacks of the day. On defense, Vic Koenig did a great job and I was impressed by the plays of Clemons today. Despite, Furman's possession time and our five turnovers, we capitalized on big plays to go to 3-0."

On playing a I-AA team:

"Playing a I-AA team, you should win by a lot; however, the parity in college football is evening out. I did not come into this game thinking we were a shoe in. Furman has beaten Georgia Tech and NC State in the past. Furman also has a great coaching staff, and a great program full of traditions. I did not fill secure about the win until the end of the game."

On upcoming conference play:

"The players are looking forward to the road games the next consecutive weeks, especially because of the conference play. A lot of our players will enjoy the road games, because the other fans' 'boos' will excite the guys and motivate them to come out with a victory. We will also use the a lot more of our newcomers as we get into conference play."

Bobby Lamb's Press Conference Quotes

On team's performance today:

"First of all, I just told our football team how proud of them I was. I told them I wanted them to do one thing and that was to compete for four quarters and that's what we did. Our guys never quit. We made some great plays and moved the ball down the field. We had 380 total yards and we have never had that in Death Valley. We had five sacks, which is the most we've ever had here. They've got a very good football team and I think we've got a very good football team. You can't come in here and turn the ball over five times though. We can't fault the play of our kids. They played hard. We've got an opening next week and everything is in front of us. All of our goals are still intact."

On aggressive approach to game:

"We knew from a talent standpoint that we had to take some chances and we worked on an onside kick all last week. Matthew Cesari our kicker can kick the ball down in the ground and pop it straight in the air and it's a pretty good kick. But, we knew if we kicked it deep they would probably get the ball at about the same yard so we just went ahead and onside kicked it."

On quarterback, Cullen Harper:

"He's very efficient at what he does. They've got a lot of talent. I think he does a good job of getting them in the right play and making a good play to the right guy. He has such an array of talent from the wide receiver to the running backs."

On playing two quarterbacks, Jordan Sorrells and Renaldo Gray:

"We have a little bit of a two-headed monster there. We planned on playing Jordan every third or fourth series but Jordan just got a good rhythm going. He sees the field pretty well. Renaldo is more of an option guy. We had to throw the ball so we went strictly with Jordan in the second half."

Quarterback Cullen Harper

"I went out and took what their defense gave me. I give credit to all of our receivers. They made play after play. When you have great receivers and running backs it can make a quarterback look good."

"We are pleased to get the win. Furman came in here and gave it everything they had. They created a lot of pressure and put us in a lot of long yardage situations. We knew coming in it that they would not make it easy."

Safety Michael Hamlin

"Furman gave us some looks we had not seen and made it tough on us. The coaches had told us all week that they would be tough and they were."

"I had a good game, but the credit goes to the defensive line. They stopped things up front and made it easy for me. I did some good things out there, but I know I can play better and the team can play better. We have our first road test at NC State next week and will have to be ready to play."

Cornerback Crezdon Bulter

"It was good to get this win. Furman played hard and never quit. As a defense we are not happy with giving up points, but the most important thing is the win. As a defense we need to get off the field and give our offense more chances. They can put up the points when they are on the field. We just need to give them more chances."

On playing at NC State next week

"Being from North Carolina a game against any team from that state is important to me. I'm still trying to get tickets for all my family and friends. We will have to have a good week of practice to be ready for them."
