BC Player Quotes
Boston College vs. Clemson
November 1, 2008

Quarterback Chris Crane

On today's game plan:

"It was similar to last year's; they have fast secondary guys and we just didn't want to make any turnovers that would put us behind the eight ball. It played out a lot like last year; we were down and we came back and we just didn't have that final push, we just didn't score on the last drive. It's tough to have a game end that way."

On his feelings going into the last series:

"They must have been watching some game film on what we were doing before. I had a conversation with the coach right before I went out and he said 'Don't end the game previous to fourth down.' I wanted to get the ball rolling but we just didn't get that catch that we needed, he was just a little bit out of bounds."

WR Brandon Robinson

On beating Va. Tech and now losing two in a row:

"It's always disappointing to lose a game, but we need to keep our heads up we still have games to win. I'm not even thinking about it anymore, this one is over; we didn't win and now I'm focusing on Notre Dame."

LB Mike McLaughlin

General comments:

"The team did a great job of rallying at half time. (Frank) Spaziani has said before: '17 points is a scary lead,' for some reason it has happened to us before and it happened again. The team did a great job unfortunately we fell a little short."

LB Mark Herzlich

On this week's loss compared to the UNC loss:

"I think last week was frustrating because I didn't feel like we played the way we were capable of playing. I think this week the ball went their way when it counted and I'm proud of the guys for coming back and hanging in there. We have something to hang out hat on the way we showed effort this week and there is room for improvement."

Clemson Player Quotes

RB CJ Spiller

On significance of win:

"To come out here and get a win, we knew they were going to battle back, because they did that every time we played them. Our defense held up and Aaron Kelly made a big play at the end. It goes to show a lot about the character of this team. We faced adversity at the end and we overcame it and walked away with a win."

On his performance:

"It was a good game for us to get our space and use our speed."

On significance for Coach Swinney:

"It was very special. It was against a team we hadn't beaten in three years. He deserves it. He put a whole lot of time there getting us prepared to play this type of game, and play in this type of tough environment. It was very special. To get his first win as a head coach, he would have loved to do it at home, but a win is a win, and I'm very proud of it."

WR Aaron Kelly

On fourth quarter touchdown reception:

"I knew I caught it the whole time. I was telling coach as he was over there drawing up plays that he was wasting his time, because I had caught the ball. They isolated the field to myself, I was kind of surprised they left me one-on-one, and Cullen [Harper] threw it up and made a play."

Boston College Quotes
Head Coach Jeff Jagodzinski

Overall

“Give credit to Clemson. I’m proud of my guys. They fought for a full 60 minutes and we came up short tonight. But (my guys) fought with everything they had and we came up short.”

On the play of Clemson player C.J. Spiller

“He’s a good player. It’s obvious. He’s a good football player. He had the ball in his hands there at the end and he made a play.”

On the play of BC Quarterback Chris Crane

“Statistically we had no interceptions today. We played okay. We had a little bit more underneath. We took a few downfield, but for the most part it was underneath stuff.”

“I thought that (Chris) was playing well enough to keep him in.”

On the BC Defense allowing BC to come back from being down 17 points

“We gave up some points. I told the guys just keep fighting. We’re going to win this thing 21-17. We got there and then we came up short. We gave up a big kick return and we gave up the two big plays on wheel routes up the boundary.”

On whether BC did anything special to block the Clemson punt

“No. I just tried to change momentum a bit. We had it so I took it.”

On the fourth down touchdown pass versus going for a field goal

“We had missed two field goals and I just thought, let’s go for it. I said if we got into four-down territory I was going to stay and go for it on fourth down.”
