Clemson vs. Duke Coaches Quotes

Clemson Head Coach Dabo Swinney

“I am proud of the guys today. We played a complete game and the guys got to taste what it is like when all three phases of the game are successful. We played hard, had no turnovers, and great things happened.”

“I’m very proud of Aaron Kelly. He is a great kid. I am glad he got to break the record at home”

“Spiller broke the receiving record this week after tying it a couple weeks ago at Boston College. I am proud of him and glad he set a long-standing Clemson record.”

“James Davis ran his tail off today. He set the tempo early in the first quarter and ran hard all day long. He finished north-south all day long.”

“I was very proud of the play in the trenches today. The offensive line protected well. We challenged the defensive line earlier this week to respond to the challenge and they came out and dominated the line of scrimmage and brought great pressure.”

“Today was a great win at home in front of these fans. These fans are All In and have not quit on this team. We challenged the team to play with a passion for them.”

Duke Head Coach David Cutcliffe Quotes

On the defense:

“I knew going in that Clemson had weapons. I told the team Thursday night that our biggest issue was going to be to prevent big plays. They got the big plays. I think our defense got tired. We kept them on the field a lot. I told the team that the team that has the most first downs was going to win. That would be the offense that was staying on the field and keeping their defense fresh. Obviously, we had a tough time doing that.”

On injuries:

“We have a lot of people banged up. That’s probably my biggest concern coming out of this game. I told all of them that were hurt that they will have to go to the training room to get evaluated. We’ve got to get some people ready and find out who will be able to play next week.”

On game:

“We didn’t play very well as a team. We didn’t look well on the field. I didn’t have us ready to play. We didn’t play at a very high level period.”

Clemson Player Quotes vs. Duke

Quarterback Cullen Harper:

“That was the first game we played well all season. We ran the ball well, we threw the ball well, and the defense played great. That was our most complete game so far. The coaches put us in good positions today, we just had to make plays. It was a good win for us. I’m really looking forward to playing these last couple of games.”

Safety Michael Hamlin:

“We can’t win without the guys up front. The D-line put pressure on the quarterback all day. I thought the defense played pretty well today. We came in at halftime and knew we were playing our best game of the year. We talked about keeping it up in the second half, and we did that. The defense played with a swagger today; we showed a lot of emotion.”

Offensive lineman Thomas Austin:

“This was a rewarding victory for us because we put a complete game together for 60 minutes. We’re going to have our hands full the next two games. We’ve got a lot to play for still. We’ve just got to come out and play these next two games and see how it plays out.”

Wide receiver Aaron Kelly:

“Breaking the record here in front of the home crowd was pretty special. It was definitely a complete effort today; the special teams played well, the defense dominated, and the offense made plays. It’s always great to be productive and help the team win. It felt good to have the support of my teammates. This was our most complete game this season.”

Running back C.J. Spiller:

“Today felt pretty good. The offensive line did a good job blocking today and Cullen did a good job throwing the ball around. I’ve just been having fun these past few weeks. We had a great week of practice, we focused on getting healthy. We wanted to have a complete game, and the results speak for themselves.”
