Clemson vs. Wake Forest (10/17)

Post-Game Coaches' Quotes

Clemson Head Coach Dabo Swinney

Thoughts on the Win:

"Great win today. We are so proud of the team. We ran the same zone plays, but we executed today. These games are about blocking and tackling, and it's about executing these elements. We executed today on both sides of the ball, and I told the guys that if they execute, then they can win games. If we play like we practice, then we can overwhelm the other team, and that's what we did today. Overall, a great job by the entire team on this win today."

Thoughts on the Defense:

"The defense was relentless all day and dominated. They played smart and made tackles. When you follow your assignments and play with an aggressive attitude, then plays are made. I'm proud of the effort by the defense from the beginning of the game to the end."

Thoughts on the Offense:

"Overall, the offense played smart, without making many mistakes. The game ball goes to C.J. Spiller today. He gave 100 percent on every play, and he is the first ACC player to get over 6,000 all-purpose yards. We are very proud of C.J. and his efforts today. The quarterbacks were also a big factor in today's win. Kyle Parker took his time and made very smart plays, along with Willy Korn. They got it done, and got it done right."

Wake Forest Head Coach Jim Grobe

Thoughts on the Game:

"I thought they had a good plan for us. They prepared well and gave us some things that were bothersome. There were times where they just had good talented kids that made plays. We played a defense today that not only had a good plan but they have a lot of talent and their kids really played well."

Opening kickoff:

"That was supposed to be a sky kick and he got under it too much. It looked like a surprise onside kick, but it surprised all of us."

On Clemson needing to get a win and having more time to prepare:

"I think they did some good things with their off time. I think they played really well. They played hard and played well. There is never any doubt about their talent level and I was impressed with their talent, and their coaching staff did a nice job scheme-wise. They used the time off wisely. They gave us some things that we didn't handle well so I was impressed. Good plan by them and they have some really talented kids playing."

On quarterback Riley Skinner:

"I think we will find that there were probably some things that Riley missed, but I think that was a team job offensively. I thought at times we didn't protect him very well and didn't have wide receivers get open very well. Again I go back to Clemson's kids; I just think they played great. I don't think we are going to get back and watch the film and fill like there is much blame to hand out. I just think we got beat today."

On playing at Clemson:

"Well, we haven't played well here. We have been in double overtime down here, we fumbled the ball going in one time that would have given us the chance to tie it up. The last two trips down here we have really been worn out. They got us a couple of years ago pretty well, and that was with a pretty good team with (Aaron) Curry and those guys as juniors. This year they got after us pretty decent. I would like to say we haven't played well, but I have to give them credit. I thought their kids played great."

Clemson Player Quotes – Wake Forest game (10/17)

Michael Palmer:

“After the loss to Maryland we never lost confidence or listened to the negativity. During practice, we watched film and worked on the small areas we were struggling in. The key to our success today is that we came out and executed the game plan.”

C.J. Spiller:

“This is the Clemson team that should have been playing all year. I credit the offensive line for their key blocks in allowing me to get that 66-yard touchdown.”

Brandon Maye:

“Our mindset coming into the game was ‘Be Great’! Coach Steele did a good job of preparing us for this game.”

Ricky Sapp:

“We concentrated on pressuring (Riley) Skinner and making him force things that we capitalized on. Our secondary helped us by cutting off Skinner’s options.”

Clemson University (3-3, 2-2 ACC) vs Wake Forest (4-3, 2-2 ACC)
October 17, 2009
Memorial Stadium · Clemson, SC

- Today's score differential of 35 points is the largest margin of victory in a Clemson-Wake Forest contest since the 2000 season when the Tigers defeated the Demon Deacons by a score of 55-7 at Death Valley. It was the second straight game between the two teams at Death Valley that the Tigers have beaten Wake Forest by at least 34 points.
- With **C.J. Spiller's** 66-yard rushing touchdown at 3:37 in second quarter, he became the first ACC player in history to go over 6,000 career yards. He is also only the 27th player in NCAA FBS history to reach 6,000 all-purpose yards. For his career, Spiller has 6,053 all-purpose yards (2,801 yards rushing; 1,080 yards receiving; 1,631 yards kickoff returns; 541 yards punt returns).
- **Spiller** has a touchdown of at least 60 yards scored four different ways this season. He has a punt return, a kick off return, a reception, and a rushing touchdown of at least 60 yards in 2009. He also has had a 60-yard play in all six games this season.
- **Spiller** has 17 career touchdowns of 50 yards or more. He has three career touchdown plays of at least 50 yards against Wake Forest, as he had a 72-yard rushing touchdown in 2006 and a 90-yard kickoff return for touchdown in 2007.
- **Spiller** also recorded his 10th career 100-plus yard rushing game, and his second against Wake Forest, as he had nine carries for 106 yards and one touchdown. His other 100-yard rushing game against Wake Forest occurred in 2006, when he tallied 104 yards and one touchdown.
- **Spiller** needs one reception to reach 100 for his career. He needs just seven receptions to become Clemson's career leader for a running back. He has 99 and the record is 105 by Travis Zachery (1998-2001).
- Senior **Michael Palmer** recorded his first touchdown of the year, and the fifth of his career, on a one-yard pass from **Kyle Parker** at 12:26 in the first quarter. Earlier in the drive, Palmer had a 22-yard reception from Parker. Palmer now has 16 receptions this year, his career high for a season. His 16 receptions are the most by a Clemson tight end since Thomas Hunter had 16 in the 2006 season. No Clemson tight end has caught 20 passes in a season since 1984 when K.D. Dunn caught 22.
- With the first extra point of the game, Clemson kickers have made 100 consecutive extra points. **Richard Jackson** was 4-4 on PATs in the first half, and made his only extra point attempt in the second half.
