Postgame Coaches' Quotes

**Wake Forest Head Coach Jim Grobe**

*On his team's struggles with field goal kicking:*

"I thought we had a great opportunity and we didn't take advantage of it. We haven't kicked field goals very well for a couple of games. We just have to make the short ones. I didn't mind the long one that we missed, but you have to make those. That's something we just have to be able to do. I wish we could have been kicking an extra point instead of having to kick a field goal."

*On his team's effort:*

"We talked all week about how, if we were going to have any shot at Clemson, we would have to play four quarters of football. I think our kids took it to heart. I don't think we could have played any harder than we played today. We could have made a couple more plays, but I don't think we could have played any harder."

*On containing Clemson's offense for most of the game:*

"They have so many good players, and you're not going to hold them down forever. I thought that throughout the course of the game, there was some give-and-take. I think our biggest disappointment defensively was the amount of balls we had our hands on that we didn't come up with. That's going to be something our guys, when they come in Monday morning and look at the film, are going to really kick themselves for because with so many opportunities, that could have been another five or six turnover day for us today."

*On bouncing back from the loss:*

"We're a pretty good football team. But you can get down if you're not careful, and that's what I talked to our kids about after the game. You have to find a way to keep your head up and be a good teammate and pick your buddies up. It's a tough, tough loss, but we have a couple of games left and that's the good thing. Even though this was a really hard loss, we have a couple more games to play. We're a pretty young football team, and we're not a bad football team at all. Hopefully, we can come back and get ready for Maryland."

*On the play of quarterback Tanner Price:*

"I think he played great. He just continues to get better. I think Tanner will be the first to tell you that we missed a couple of opportunities. He missed a couple of reads, but for the most part today, I just thought he played really, really well. That was a really hot defensive front that we were going against. They put a lot of pressure on us. I thought he did a nice job scrambling out of the pocket, and I thought he delivered the ball really well under some duress."
