POSTGAME quotes by FRANK HOWARD,

"I don't think I've ever seen a Clemson team come back like that group of gentlemen today."

"That Addison is a gutsy little boy. We had to strap his arm up at halftime and I don't see how he come back like that."

"How you like my schoolboy Kicker(Doug Walker) He come in there after Barfield had that trouble(missed 3 PAT s in row) and stuck it between the goal."

"I didn't think they would score on us frankly, but they did and we did too and I'm ~~AMAZINGLY~~ happy about the whole thing."

"I think Blackburn does a heck of a job with the material he's got up there at Virginia. They hit you hard and come to play."

"My defense started off awful slow, but they improved and were hitting hard at the end."

~~THEY~~ The ~~WASZ~~ prettiest play of the day was that one down there at the goal line right at the end. (by Phil Marion)

"We knew that we were fumbling a lot. Virginia didn't hit us hard ~~enough~~ enough to make us fumble. We ~~WIDEX~~ did it on our own.

"People say this is a good team, but we got so ~~x~~ awful much to get them right. We ain't gonna be able to score that ~~many~~ many points(40) against some of these other teams."

BLACKBURN QUOTES

It was a toughie....you can,t lose one like that and think anything else.We ve pulled out a few, and I knowthe other side of the coin it was as tough a loss as we have ever had.

Still thought we could win it even after they scored to go ahead, but most of all, they (the boys) felt that they could win.

We had prepared FORTHEM to pass, they did alot last year and we knew it.

I am excited because of the game, but the officials will come under very close scrutiny in our films, I was upset at the half and the 2nd half was - well.. I could be wrong, and if I am, I will say so after we look at the films.

Our kids honestly felt that they were going to win before the game ever started. They played that way.

There si no such thing as a moral victory -- its they ones that are on the scoreboard, they are the ones that the boys want to see.

In the Maryland game he scored 1 and passed for 4

Davis passing yardage today was 312 yards. The ACC mark is 323 held by Thomas Ray of Clemson against North Carolina last year.

POSTGAME quotes by FRANK HOARD,

"I don't think I've ever seen a Clemson team come back like that group of gentlemen today."

"That Addison is a gutty little boy. We had to strap his arm up at halftime and I don't see how he come back like that."

"How you like my schoolboy Kicker(Doug Walker) He come in there after Barfield had that trouble(missed 3 PAT's in row) and stuck it between the goal."

"I didn't think they would score on us frankly, but they did and we did too and I'm ~~WIPER~~ happy about the whole thing."

"I think Blackburn does a heck of a job with the material he's got up there at Virginia. They hit you hard and come to play."

"My defense started off awful slow, but they improved and were hitting hard at the end."

~~THEY~~ The ~~WASTE~~ prettiest play of the day was that one down there at the goal line right at the end. (by Phil Marion)

"We knew that we were fumbling a lot. Virginia didn't hit us hard ~~suspense~~ enough to make us fumble. We ~~WIPER~~ did it on our own."

"People say this is a good team, but we get so ~~WIPER~~ awful much to get them right. We ain't gonna be able to score that ~~WIPER~~ many points(ho) against some of these other teams."

BLACKBURN QUOTES

It was a toughie....you can,t lose one like that and think anything else.We ve pulled out a few, and I knowthe other side of the coin it was as tough a loss as we have ever had.

Still thought we could win it even after they scored to go ahead, but most of all, they (the boys) felt that they could win.

We had prepared FOR THEM to pass, they did alot last year and we knew it.

I am excited because of the game, but the officials will come under very close scrutiny in our films, I was upset at the half and the 2nd half was - well.. I could be wrong, and if I am, I will say so after we look at the films.

Our kids honestly felt that they were going to win before the game ever started. They played that way.

There si no such thing as a moral victory - its they ones that are on the scoreboard, they are the ones that the boys want to see.
