Coach Tom Harp quotes:

"All I have to say is that we had the ball in excellent field position the second half but could not take advantage.

All we had to do was to score and we didn't."

Naturally I'm disappointed that we didn't win but as much as we hated to lose the game, we've got to buckle down and concentrate on our future games."

Coach Frank Howard quotes: It's always nice when you beat Duke. Lady Luck was sure with us today.

We won, but you can see we got troubles, lots of them. We got fumble ~~xxx~~ trouble, extra point troubles and fullback troubles

They booted me when I let Barfield go for that field goal. But he made it and then was the most ~~XXXXXXXXXX~~ appreciative boos I ever heard.

We lost Liberatore, but Lee Rayburn came in and did a heck of a job back there in place of him. The big play of the game, as far as ~~IXE~~ I'm concerned is that interception by Rayburn. That gave us field position ~~g~~ again.

Both ~~xxxxxx~~ teams are alike--big and slow.

But we got to get that big fullback back in there to make them ~~xxxxxx~~ fast backs go. I think we gonna get Bo Ruffner back in two more weeks. Until then I'm making Jay Cooper my fullback and sticking with him,

Coach Tom Harp quotes:

"All I have to say is that we had the ball in excellent field position the second half.

but could not take advantage.

All we had to do was to score and we didn't."

Naturally I'm disappointed that we didn't win but as much as we hated to lose the game,

we've got to buckle down and concentrate on our future games."

Coach Frank Howard quotes: It's always nice when you beat Duke. Lady

luck was sure with us today.

We won, but you can see we got troubles, lots of them. We got trouble

the trouble, extra point troubles and field goal troubles.

They scored me when I let Hartline go for that field goal. But

he made it and that was the most ~~disappointing~~ appreciative pass I ever heard.

We lost liberos, but Joe Hartman came in and did a heck of a job

back there in place of him. The big play of the game, as far as I'm concerned

is that interception by Hartman. That gave us field position again.

Both teams are alike--big and slow.

But we got to get that big field back in there to make them

think fast back to go. I think we gonna get Joe Hartman back in two more weeks.

Until then I'm making Jay Cooper my field back and sticking with him.
