## COACHES' COMMENTS

**BILL TATE:** "A great effort in the second half. The team played exceptional ball. I was most pleased with our second half. Andy Heck did his usual great job. We threw more today and had a good day at it. We made some great catches. I was pleased with our execution. This was probably our best offensive game--yardage wise. Everybody got the ball well and blocked well."

Asked our running so near to goal: "When you get down there, that is gut territory. You can't fool people. You have to run sometime."

Asked about the long touchdown pass of Clemson in which official was in way: "That ~~xxxx~~ cost a touchdown. There is not much you can do about it. I'm sorry for the kids. This had nothing to do with our execution. The receiver ~~xxx~~ was covered. The official and (Digit) Laughridge went down. They hit each other. A critical play."

Asked about trying to pass on play in which safety was scored: "We play to win. We felt the only way to win was to pass. This was my fault, not the players. I called the play. Our kids didn't lost this game. We had to go for it. A tie is no good. It was me all the way."

## COACHES' COMMENTS

FRA NK HOWARD:There ain't no satisfaction in this victory. I am as thankful as I can possibly be about this win. We didn't do much the second half. We got nothing at all out of the defense."

"I've lost a lot this close and won a lot this close. They say they even out and after today I kinda believeXXX it."

Childers saved the day. It's funny ~~XXXXXXXXXX~~ because at the start of the season, he was on the third team and I didn't think he was ever gonna get any better.

Today is~~XX~~ the first time Gore ran like he ought to. He has been fumbling a lot, but he stuck it up in there today.

We're not getting the effort we need out of our second teams. They got to come through."

"I can't understand why we ain't a whole lot better than we are.

"Coach Tate, frankly, is a gentleman and a scholar. He has grown up tremendously from last year and has done a tremendous job with his personell."

COACHES' COMMENTS

**BILL TATE:** "A great effort in the second half. The team played exceptional ball. I was most pleased with our second half. Andy Heck did his usual great job. We threw more today and had a good day at it. We made some great catches. I was pleased with our execution. This was probably our best offensive game--yardage wise. Everybody got the ball well and blocked well."

Asked our running so near to goal: "When you get down there, that is gut territory. You can't fool people. You have to run sometime."

Asked about the long touchdown pass of Clemson in which official was in way: "That ~~xxxx~~ cost a touchdown. There is not much you can do about it. I'm sorry for the kids. This had nothing to do with our execution. The receiver ~~was~~ was covered. The official and (Digit) Laughridge went down. They hit each other. A critical play."

Asked about trying to pass on play in which safety was scored: "We play to win. We felt the only way to win was to pass. This was my fault, not the players. I called the play. Our kids didn't lost this game. We had to go for it. A tie is no good. It was me all the way."

## COACHES' COMMENTS

FRANK HOWARD: There ain't no satisfaction in this victory. I am as thankful as I can possibly be about this win. We didn't do much the second half. We got nothing at all out of the defense."

"I've lost a lot this close and won a lot this close. They say they even out and after today I kinda believeXXX it."

Childers saved the day. It's funny ~~XXXXXXXXXX~~ because at the start of the season, he was on the third team and I didn't think he was ever gonna get any better.

Today is~~XX~~ the first time Gore ran like he ought to. He has been fumbling a lot, but he stuck it up in there today.

We're not getting the effort we need out of our second teams. They got to come through."

"I can't understand why we ain't a whole lot better than we are.

"Coach Tate, frankly, is a gentleman and a scholar. He has grown up tremendously from last year and has done a tremendous job with his personell."
